

## FAITH CONFSSION: WISDOM

---

Jesus is made unto to me wisdom, righteousness, sanctification and redemption. Therefore, I thank God that daily I am filled with the knowledge of His will in all wisdom and spiritual understanding; that I may walk worthy of the Lord to please Him in every area of my life, producing fruit in every good work, and ever increasing in the knowledge of God and His Son, Jesus Christ.

I am filled with wisdom, understanding and knowledge and all manner of skill and workmanship to produce goods and services, build and create, generate wealth, devise innovative and enterprising things, and to effect a change in the lives of others. I have received the Spirit of God that I may know the things that are freely given to me. I have the mind of Christ and the wisdom of God is formed within me. Like Solomon, I receive understanding exceeding much, and largeness of heart, even as the sand that is on the sea shore.

The reverence of the Lord is the beginning of wisdom: a good understanding I have as I do His commandments—listen to His Word, agree with it and do according to His will. I am happy as I stand continually before the Lord and hear His wisdom. Because the Spirit of Truth lives in my inward parts, the Lord has made me to know wisdom. My mouth shall speak of it and the meditation of my heart shall be understanding continually.

Whether I turn to the right or to the left, I hear the voice of the Lord saying this is the way, walk in it! By wisdom I walk uprightly, with humility and sound instruction. I understand my way. The words of wisdom from my mouth are as deep waters and a flowing brook by which I feed many. I speak the wisdom of God in a mystery, even the hidden things which God ordained before the world unto our glory.

The Lord has given me a spirit of wisdom and revelation in the knowledge of Him, my eyes are flooded with light that I may know the hope He had in His heart when He called me, the riches of the glory of His inheritance in the saints (*which is Christ in me, the hope of glory*), and the exceeding greatness of His power toward me as I believe. I comprehend the very depth, height, length and width of the love of God which passes knowledge. It is the Lord's doing and it is marvelous in my eyes. Amen!
