

C.A.M.O. MINISTRY

a Compassionate, Active, Military Outreach **ARLAN & ELLEN DAVIS**

Supporting Spiritual Resiliency throughout Joint Base McGuire-Dix-Lakehurst

March - May 2019

Greetings Pastor and praying friends,

What a privilege it is to bring you news from New Jersey. God is still on the throne. Hallelujah!

The work here was moving along at a fairly steady pace. Then at a chaplain staff meeting it was SURPRISE! A chaplain was transferring a year earlier than expected, another one is headed for a short fused deployment, new chaplains were being assigned here, chaplain support staff is transitioning as well. Just another day in the life of the military which brings different challenges that we didn't know were coming but it was no surprise to God.

With new leadership comes new opportunities to see God work. We have signed a **new Memorandum of Agreement (MOA)** with the Base Chaplaincy. It recognizes us as **endorsed volunteers to minister** among the service members stationed here. There is great latitude of ministry provided for us in this document. We are praising the Lord for how He brought this to pass. This will be reviewed annually so we request your continued prayer regarding this throughout the year.

We have had some tremendous opportunities to move among those in training here. God has blessed and allowed us to put more than **1600 Gospel tracts as well as several Bibles directly** into the hands of soldiers. It is great to be able tell you of specific times that we are able to present an entire gospel presentation to a soldier. Sometimes, though, all we get to do is plant a little seed of a Biblical thought or a scripture verse along with the Gospel tract because of the pressures of their schedule. We covet your prayers for the Holy Spirit to work in each life.

Two of the young people who were attending our Thursday night Bible study are dependents of military families. They each decided to enlist in the USAF. We are sorry to see them leave our fellowship but very grateful for the impact we were able to have in their lives for a short time. We are seeing tremendous growth in the lives of several other young people.

They are **taking the Scripture being taught and applying** to their real life situations. Our other Bible studies are going well.

We are looking forward to a fruitful time with the Youth ChalleNGe Academy beginning July 30. We have had some opportunities to minister among the staff during their training time as they prepare to receive a new class of cadets.
