

The Andersons To Perú

August 2019

Happy 26th Wedding Anniversary! We spent ours at the hospital with Kathy receiving her second chemo treatment. In sickness and in health, right?

We appreciate so much all of the support and encouragement we have received during this time. Many people have told us they are praying for us. The parents, especially moms, from La Molina Christian Schools have really stepped forward to help out. A group of them get together every Wednesday just to pray for Kathy. They have also given us offerings three separate times and have offered to drive Kathy to the hospital, an hour away, when needed.

July 28 is Peru's Independence Day. This year our teachers joined the students in dressing up in typical or historical outfits for the presentation for the parents. They not only acted out the history of Peru, but also emphasized the laws that Peru has about the right to life, marriage between one man and one woman, and the freedom of religion. These rights are being challenged more and more.

A good group of moms from LMCS celebrated Peru's Independence Day with a typical Peruvian breakfast. A lady shared a new ministry opportunity working with orphans in Cuzco. These moms meet together every week to learn more about God's plan for marriage, raising children, finances, and other basic Biblical life principles.

*Thank you for your continued support and prayers,
God is Good!*
