

Rick and Kathy Anderson  
Missionaries to Perú, South America

*December, 2019*

*Greetings from Peru,*

*For the past few months in our Thursday night prayer time with our church we have been praying specifically for 4 people with cancer. Daniel, Ivan, Roberto and Kathy.*

***Daniel** had only been married a couple of months when he was diagnosed with cancer. He was a Christian but his new wife was not. Her parents immediately encouraged her to annul the marriage when they found out Daniel had cancer, but she chose not to. Instead, a few months later she accepted*

*Christ as her Savior and faithfully spent the next few years taking care of Daniel. This month Daniel passed away.*

*Although **Ivan** had Christian parents and had visited church a few times, when he was diagnosed with cancer he wanted nothing to do with God. He often rejected offers of visits from pastors or prayers with his parents. A few weeks ago his mom made one more attempt and asked if he wanted her to pray for him and he said yes! And then she asked if he would like to pray and accept Christ as his Savior and again he said yes! The next day Ivan went into a coma and just two days after Daniel died, he, too, passed away.*

***Roberto** is one of the pastors at the church where we worked for the first 10 years we were here. This 77 year old Palestinian man born in Bethlehem has a great ministry with a group of elderly men from the neighborhood and also with those battling addictions to drugs or alcohol. A few months ago, he was diagnosed with lung cancer. Please pray for Roberto as he has had other complications due to heart problems.*

**Kathy** recently had her second scheduled surgery and she seems to be healing very well. Before the surgery and after finishing the 6<sup>th</sup> round of chemo she went through several tests and it looks like all the cancer is gone! God is so Good! We know that God has His own plans for each of His children and at this time we are just so thankful that He is healing Kathy.

Please pray for us as we wrap up our time here in Peru with many school and church programs and graduations along with packing and storing all of our household items for our year in the USA. Lord-willing we will be traveling to the USA on December 23<sup>rd</sup>. We look forward to seeing many of our supporting churches and friends!

***Merry Christmas!***
