

The Andersons To Perú

March 2019

Dear family and friends,

First of all we want to thank you for your faithful support in prayer all of these years. We left the USA nearly 16 years ago for Costa Rica and then Perú. God has been good to us and has blessed us with many churches and friends who have supported us during this time.

In the years that we have been on the mission field we have never taken a furlough longer than three months, mainly because we felt we could not leave our responsibilities at La Molina Christian Schools and our churches for longer. The downside to that has been that we have not been able to raise much more support during this time. We are currently at approximately 65% of the support that our mission board recommends. For several years now our school has been paying most of our rent so that we could stay and keep working.

We know that it is time for us to return to the USA for at least a year to concentrate on raising more support and visiting churches and individuals that support us. With this in mind we have some specific prayer requests for you:

1. Pray that God would provide a house, furnishings, vehicles, insurance, and travel expenses for this time.
2. Pray that God would lead us to new churches and individuals who would be willing to invest in our ministry.
3. Pray that God would bring people to replace us in our ministries at La Molina Christian Schools and our two churches.
4. Pray for Raeya and Risha as they seek God's will about college and that God would provide for that as well.

Thank you so much for your prayers,

Serving Christ in Lima,
Rick and Kathy Anderson
