Hi! There is sooooo much bad news going around that it is a real joy to share with you some real good news — ANOTHER CHURCH PLANT!!!

We are happy to introduce you to Manuel and Ethelyn Ocampo. This church plant is a product of the spiritual growth of the Bible Baptist Church of Alajuela and has created a lot of excitement there.

They were able to obtain a Community Activities building in which to meet and for the first service there were 31 in attendance. Shortly after, in the Mother's Day celebration, there were 16 mothers present.

Manuel and Ethelyn are graduates from our four-year seminary and have served in a full-time capacity in one of our churches for eight years.

When the lord opened the opportunity to begin this work in Ciudad Quesada they were absolutely overjoyed and more than ready.

Excited? Yes! Nervous? A little! Ready? And with a vision!

You are partners in this new initiative and we are confident you will be holding the ropes for this young couple as they face the obstacles that we all know Satan will throw up. There is work to be done and they are willing. We trust you will be.

Your partners for the extreme,
John and Karry Barnes
