## Serving in Martinique

December 2018

Dear Friends,

We are excited to share that the adoption of Theodore was finalized on December 17, and he is officially a Benbrooks! He has brought so much joy to our family, and we are excited to have completed this process. We are grateful for each of you who have prayed for us and financially given towards this adoption. The finalization of Theo's adoption was our favorite Christmas present this year!

With the adoption behind us, we now have a new prayer card and family photo available for download on our website ([BenbrooksFamily.com/about](http://BenbrooksFamily.com/about)). Printed prayer cards are available upon request.

Since we last wrote in September, our furlough has been very busy. Our travels have taken us to California, Canada, Ohio, New York, Florida, Texas, Colorado, Japan, and Georgia to visit supporting churches. Though these travels have been exhausting at times, we have been very encouraged to be reacquainted with so many people who have been faithfully praying for us and supporting the ministry over the past ten years.

Over the next several months, we will visit the remainder of our supporting churches and begin to raise additional support to cover the increased costs of living and ministering in Martinique. Our current support level is 90%, and we would be grateful for your prayer regarding this need. We are actively seeking new financial partners and scheduling new meetings for April and May of 2019.

With the new year, we are beginning to focus our attention on the administrative requirements for ministry in Martinique. The most significant task will be obtaining French visas. This will be a complex process as we work through the paperwork. Thank you for praying with us about this process.

Thank you for your prayers and financial support as we continue our transition to Martinique.

By His Grace,  
Jeremy, Mattie, Nate, and Theo Benbrooks
