Shalom Chaverim (Friends)!

ONLINE EVANGELISM UPDATE

Wow! Just when I began to think I'd never have another letter like last month, more and more people were responding to my videos, and messaging me! Two of them messaged me on Instagram, saying that they saw my video, and that they wanted to be saved! **I was privileged to lead them both to the Lord in private Instagram chats. One was a boy named Dante, the other was a young lady named Avery! Praise the Lord for these two young people! They were both moved by videos I had posted on Tiktok! Please pray for their spiritual growth, as well as about five others I am discipling online.**

I recently felt like the Lord would have me to update you in a more personal and complete way than words on a page. So much has taken place in these last few months, and it's been a long time since we've given an in-person update to most of you, so I figured the next best thing would be an update video that I could send you in my letter. We will be speaking at a missions conference in September, and I really wanted to put together an update video for them, to show at the conference. Well, all of you get to see it too! **I've put together a 12 minute update video (below) to supplement this letter. There are three ways that you can view it:**

1. If you are on Facebook, you can find my video on my page. Just search "Dan Bergman" in Facebook.
2. You can type this link into your web browser (or click the link if you're viewing the PDF): facebook.com/10000019380967/videos/3518342741509671/?extid=u9dotrHxJwiXfbCw

INTERNATIONAL MINISTRY OPPORTUNITY

Due to the far reach that the Lord has allowed me to have on Tiktok, I have been contacted by two different people wanting me to speak in their respective ministries. One is a man who has a Podcast based out of Oregon, and the other is a man with a youth ministry in Zambia, that I would speak at via WhatsApp! I praise the Lord for these opportunities, and the ability to speak of the Jewishness of the gospel, and salvation by faith alone in the Jewish Messiah! **Please pray for these opportunities and that the Lord would receive much glory from them, and for lost people to hear the gospel, and trust Christ.**

UPCOMING TRAVELS

We had one meeting that I had been looking forward to speaking at for over a year that just had to cancel because of COVID 19 restrictions. We will be at two different missions conferences in PA in the near future, one in September, and one in October. **Please pray for these conferences, for God's blessing to be upon them, for traveling mercies, and good health.**

CHRISTIAN SCHOOL & LOIS AT JAM

Our kids just started Christian school! They've been homeschooled their whole lives up until now, and Lois and I both felt that this would greatly benefit them. With the kids being at school, Lois will start working and training part-time as a secretary/book keeper at *Jewish Awareness Ministries*. **Please pray for our kids to adjust to school, for the school to stay open, and for Lois to adjust to having a Job outside of the home. This is life-changing for all of us, and we are excited about it! Please also pray for the Lord to provide the extra needed finances to have the kids in Christian school. Lois working at JAM will definitely help toward that end.**

COVID-19 AND MINISTRY

At a time when so much in our lives has been canceled or put on hold, God is still on the throne, and He is still working! On a sad note, you may remember a few letters ago, I mentioned our Israeli friend, Uzi. All of us at JAM have witnessed to him at one time or another. He didn't accept the Lord that we know of. About a month ago he caught Covid-19, and due to his emphysema, did not survive. He passed into eternity. We won't know until heaven if he ever accepted the Lord. **Please pray for his ex-wife Samra, his son D'vir, and his daughter Ariel to come to know Jesus as their Messiah.**
