ONLINE EVANGELISM UPDATE

INSTAGRAM: Since I last wrote to you, the number of Jewish people I have made contact with on Instagram has grown to **1,341 Jewish people!** These are Jewish people I've contacted with the Gospel! I am sending out a message with our radio station website to them one by one, telling them what we believe, and asking them to listen to our radio. All of this has been done since May of 2018!

SHALOMSHALOM.RADIO: In July, our radio station had accumulated 2,141 listeners from 71 different countries, **now we are up to 2,923 listeners from 75 different countries!** As of this very moment, your prayers and giving have impacted hundreds of Jewish people across the globe with the message of the Gospel! We are still adding more programming!

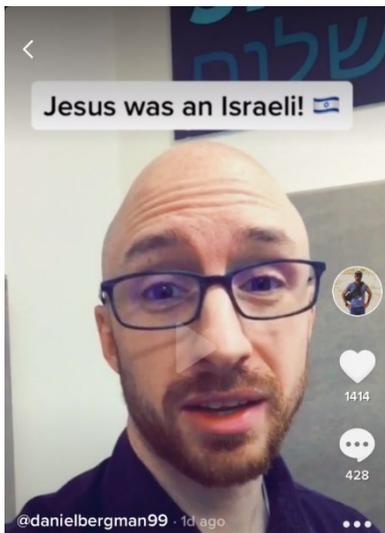

TIK TOK: What would you say if I told you that the Lord has allowed me to share the Jewish context of Jesus with well over 100,000 people? Keep reading! I'm always looking for new and innovative ways to share the gospel with Jews and non-

Jews alike – and I definitely found one with "Tik Tok!" This is a social

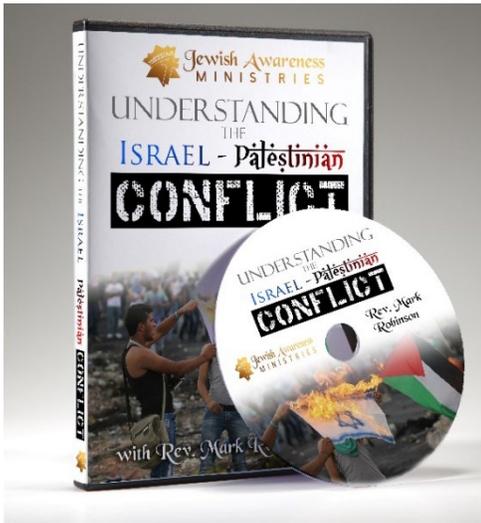

media network like *Facebook* or *Instagram*, but it is designed exclusively to share short videos (one minute or less). One of the main differences between *Facebook* and *Tik Tok* is that unlike *Facebook*, *Tik Tok* is designed to be viewed with the sound *on*, which makes it a great platform for sharing the gospel! The vast majority of *Tik Tok* users are in their teens and early twenties. We have got to reach this next generation where they are at! I got the idea from a youth pastor a few weeks ago in a Facebook ministry group. **Since I have done this, I have had over 130,000 views!**

I have done this, I have had over 130,000 views!

One video alone that I uploaded on January 29th had **46,800 views** by the next day! (pictured to the left). This video entitled "Jesus was an Israeli" is averaging over 20,000 views a day, and doesn't appear to be slowing down at all. At this rate, in two weeks it could have had over 1 million views (if it doesn't slow down)! I have been sharing my faith with multiple people a day in the comment section of these videos. I am trying to show Jews (and others) how Jewish the gospel really is! I have spoken to many Jewish people, muslims, athiests, anti-Semites and others. **One discussion was with a Muslim girl named Shimaa.** She asked how God could be so unfair to send His Son to die for the sins of others. I was able to give her the gospel! I am also constantly directing viewers to ShalomShalom.radio. Some people have gotten very angry by my videos (each centered on the Jewish context of the gospel). One guy went as far as to make a video all about me, saying that I was a false teacher, and a deceiver, and not to watch my videos. Another said I was doing the work of Satan. I never would have guessed I'd be able to impact so many so quickly! **Please pray for the continued impact of this new ministry. I have never had such a wide reach in anything that I have ever done, and with that comes a lot of opposition. Would you pray for me to stay encouraged as the slander and verbal persecution comes? I APPRECIATE ALL OF YOUR PRAYERS!**

A NEW DVD WE ARE PRODUCING

Mark and I have been working on this video for quite some time now. We recorded the green-screen video back in September and will (Lord willing) have a finished product some time in February. The DVD will be \$20 + shipping. You will be able to purchase it on our website bookstore, or give us a call. We are also going to be starting to offer our videos digitally to stream or download. This video will be at conflict.JewishAwareness.org The digital copy of this video will be

\$15. You can use the promo code "shalom" when purchasing the digital copy to receive 20% off of the regular price! The code is valid until 3/1/20. The video is just over 90 minutes long, and is the product of years of research and study.

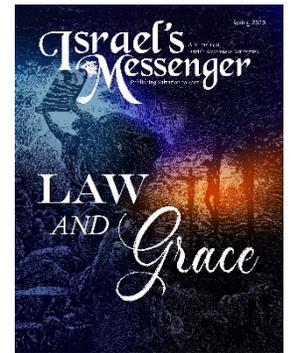

MEETINGS AND PRESENTATIONS

Since I last wrote to you, we had meetings and Passover presentations in PA (left). Lois and I were also on a local FM station in PA to talk about our ministry (right)! I did a Christmas/Hanukkah presentation at a local youth group asked me to come back to do a Passover in April!

ISRAEL'S MESSENGER

I just finished the layout and design for our Spring 2020 issue of *Israel's Messenger*. This is a very special issue for me, because in this issue, I have the privilege of writing about my dad coming to know Jesus as his Savior!

UZI AND SAMRA (left)

You might remember me talking about a local Israeli named Uzi (who has become a friend of all of us here at JAM, and was the one who helped me get mu Hebrew class started.

Recently I was able to meet his ex-wife (Samra) for the first time! She is a Hebrew teacher at a local university! We spoke in Hebrew for a little bit (I gave mostly one-word answers to her questions). We then talked about teaching Hebrew some. Mark was able to tell her about ShalomShalom.radio, and gave her a card.

Please pray for the salvation of Uzi & Samra!
