Shalom Cherverim (Friends)!

So much has been going on here! I can't believe it's been so long since my last letter! It has been longer than I anticipated in getting this letter to you, and I apologize for that. In the past I have sent out monthly letters (some were bi-monthly). I am finding as we get busier, and the price of postage goes up, that it will best suit us to send our letters bi-monthly from this point forward. I hope and pray that this will not discourage any of you in praying for us. **We are eternally grateful for all of your prayers and support! THANK YOU!**

ONLINE EVANGELISM UPDATE

When I last wrote to you, I had made contact with 1,268 Jewish people online. **That number is now up to 1,322!** These are Jewish people I've contacted with the Gospel! I am sending out a message with our radio station website to them one by one, telling them what we believe, and asking them to listen to our radio. All of this has been done since May of 2018! In July, our radio station had accumulated 1,937 listeners from 67 different countries, **now we are up to 2,141 listeners from 71 different countries!** As of this very moment, your prayers and giving have impacted hundreds of Jewish people across the globe with the message of the Gospel! We are still adding more programming! **Our app has been downloaded and regularly used by over 200 people!**

In the last 30 days, the radio ministry's reach and usage has skyrocketed, and gone up by 275%!! God is blessing this outreach! Please pray for this outreach, that those to whom the link is sent would listen to the radio station, and trust Jesus as their Messiah!

DAVID

In my last letter, I informed you about how, on Instagram, I was "followed" by a popular Jewish activist/public speaker named David, who has almost 27,000 followers! I connected with him, spoke to him about Jesus, and gave him the link to our radio station. I have a dear friend in Cleveland, OH who is a Jewish believer. He gets my prayer letters when I send them out. He asked me about David, and asked me to confirm David's last name. My friend in Cleveland has a connection with David! David is actually his sister-in-law's nephew! Wow! **Please pray for my connection with, and ministry to David, as well as this amazing "coincidence" that he's a distant relative (by marriage) to my saved Jewish friend in Ohio! I don't believe in coincidences by the way! I think God is working behind the scenes to draw David unto Himself!**

UNDERSTANDING THE ISRAELI – PALESTINIAN CONFLICT

Our director Mark Robinson, recently taught a study in our Friday night Bible Study entitled "*Understanding the Israel-Palestinian Issue.*" I have planned on wanting to make this teaching in to a DVD for quite some time now, since I've known about his work on this presentation. Our live Facebook version of this video has had 340 views! This is a popular topic, and is a "hot-button" issue in our world today. We have already recorded, and I am currently editing the studio version of this presentation. This will not only be an incredibly powerful tool to educate Christians, and dispel the lies of the increasingly anti-Semitic media, but we will also include a gospel presentation to an unsaved Jewish audience. **Please pray for me in the editing process of this video. I am aiming to be done by "black Friday," so that it can be given as a Christmas present.**

RONNIE

My dad has a cousin that I met for the first time (in recent memory) at my cousin's wedding in May of 2017. His name is Ronnie, and he is Jewish. He recently lost the love of his life when she passed away. He was looking for a place to move to, and my sister had just been given a deal to rent a house that has (I

think) 5 bedrooms. Ronnie was going to rent from her. He's kind of like an uncle. Anyway, my sister (who is a believer) had been talking to him about the Lord, and how Jesus is the promised Messiah. She asked him if he'd be willing to talk to me. He said that he would. He is going through a very difficult time in his life, and is searching for peace.

I connected with him on Facebook, and we began messaging back and forth. I sent him some different messages that I had preached about anxiety, as well as a ShalomShalom.radio episode I did about how to have real peace through the Messiah of Israel. He listened to those messages, and said he would keep listening to the radio. It just so happened that I was also scheduled to teach our live Bible study that Friday night. I was teaching on "10 Ways to Remove Trouble from your Heart" from John 14! I told Ronnie that I was going to be teaching on this, and that I thought it would be a help to him. He watched the video, and commented that he loved it! Point

number 1 was "Receive Jesus." I believe Ronnie is really open and searching! **Please pray for Ronnie's salvation, that he takes to heart the things that my sister and I have told him, and what he has heard from my videos – and that he trusts Jesus as his Messiah!**

PODCASTS!!

In the above, report, you can see one specific example of how our podcast can be used to reach a Jewish person with the Message of Jesus the Messiah. This outreach has no borders! I have developed two different podcasts for our ministry, *Jewish Awareness Podcasts*, and, *ShalomShalom.radio*. These two podcasts can be listened to on your phone, computer, or tablet.

They both give the gospel, but the first one is geared toward a Christian audience (mostly Bible teaching), and the second is primarily an evangelistic program – giving the gospel to an unsaved Jewish audience. Since we have started these, we've had over 700 listens! **Please pray for the effectiveness, and reach of these ministries! If you can, give us a 5-star rating. This will help more people see our podcast!**

A BUSY SCHEDULE
