## ONLINE EVANGELISM UPDATE

You might want to sit down, and grab a box of Kleenex to read this one... and if you're not the type to shout, when you read this, you just might! **GOD IS WORKING!!!** 🙏🙏

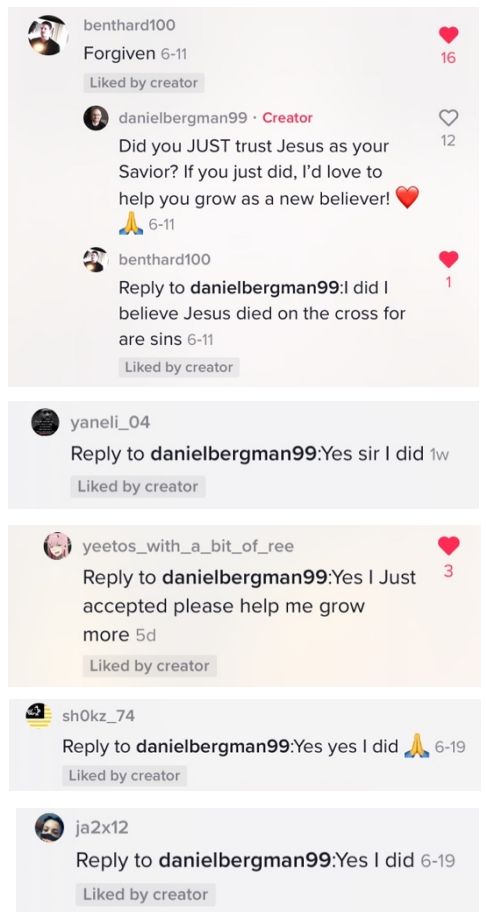

On June 10<sup>th</sup> I posted a video on Tiktok. In this video, I give the gospel in 59 seconds (Tiktok's limit is 1 minute). It went viral! So far, a quarter million have seen it!! And that's not the most amazing part!! At the end of the video, I give an invitation to turn from your sin and trust in Jesus, and what He did on the cross, to be saved. In a digital version of asking for a "raise of hands," I asked the viewers that if they just did that (turned from their sin and trusted Jesus as their Savior), to comment "Forgiven." This is meant to be a public declaration that they just got saved. There are currently over 13 THOUSAND "Forgiven" comments!!! I AM SERIOUS. NO JOKE. How am I handling this? Read on!! (You can shout now)

I am going through these "Forgiven" comments ONE by ONE, and asking the question, *"Did you JUST trust Jesus as your Savior? If you just did, I'd love to help you grow as a new believer!"*

So far, I have asked the above question to about 400 of those 13,000! Replying to these comments is a full-time job in itself! In fact, I had to stop replying to write this letter! Tiktok will only let me do so many in one sitting before it tells me to "take a break." I have currently received a response confirming that they really did *just* trust Christ as a result of the video from 119 people! Their names are below.

Ben, Jonathon, Bindia, Valeria, Dev, Steven, Kayden, Plawks, Kayla, Jordyn, Brando, Gigi, Lily, Jahion, Andrea, Mia, Santiago, Chris, Lysha, Jack, Tempest, Itali, Luke, Etoro, Ariana, Ally, Analieh, Kiaha, Shookz, Blueberriesandlove, we\_missblue, Onlytokyoo, Ivania, Porsche, Ariana, Natalie, Domo, Angel, Cami, Peyton, Kam, Sammy, Janiya, Vivi, Nyimah, Robert, Christina, Trenton, Angel, Avery, Amari, Jay, Leslie, Max, Yadira, Yaneli, Cesar, Crazy, Kody, Ty, Lane, Matt, Santy, Dog, Howie, Chance, Brandon, Youseff, Artavia, Everett, Sulav, Kammi, Ty, Laurah, Emily, Makenzy, Kaden, Emma, Adrienne, Brenda, Jay, Broski, Fluff Cat, Colby, B.K., Dixon, Adalyn, Gamer Girl 3, Funky Monkey, Kenzie, Kawaii, Sunflower, Ashlynn, Genesis, Kenny, Antonette, Michael, Tha kiddo

Each is a very real person. Most are 16-24 years old. I am sure there are more, as it's very difficult to navigate 13,000 comments that have no rhyme or reason how they're organized. Stay tuned for my next letter to get an update on this!! WOOOOOOO!!!** 🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏

Many of these who've just gotten saved are already witnessing to their friends on Tiktok! It's amazing!

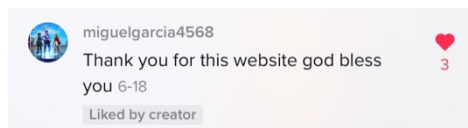

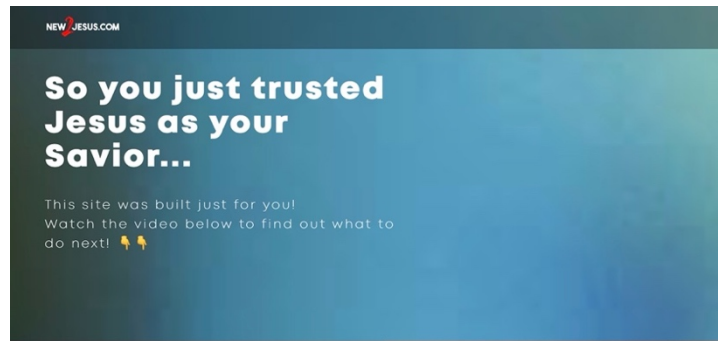

## NECESSITY IS THE MOTHER OF INVENTION

What am I supposed to do with these 119 new believers? Most of them don't even give their full or real name. Most are teens. They are all over the English-speaking world! How do I follow-up? How do I disciple them? I started scouring the net for a website I could send them to. All I could find was local outreach-based sites with a webpage imbedded deep within some church site with a complicated web address. There's not much out there for plugging an anonymous teen into a good local church, or showing them first steps. So I made a resource. I created a website, with help and backing from *Jewish Awareness Ministries*, for the sole purpose of following up with new believers - [New2Jesus.com](http://New2Jesus.com)

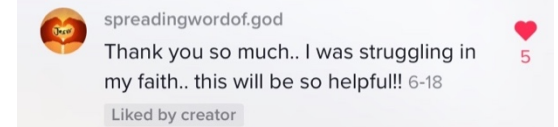

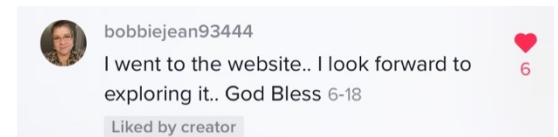

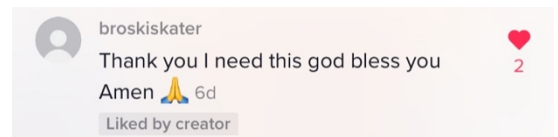

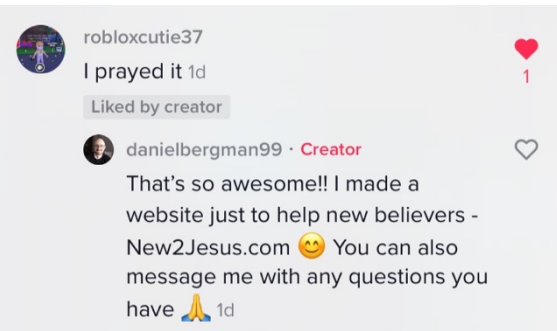

This site is very simple, easy to remember, and isn't cluttered with all kinds of other stuff. I have a video as the first thing they see. Below the video, I list the 1<sup>st</sup> steps from the video, and further describe them. They are as follows: 1. *Read Your Bible*, 2. *Pray every day*, 3. *Find a good church to attend*, 4. *Start living for God*, 5. *Share your faith*, and 6. *Don't get sidetracked*. In the church section, I give them a link to my home church, and

also talk about believer's baptism. I mention in the video that I would love to recommend a good church in their area, if they would message me on social media, or fill out the contact form at the bottom of the webpage. I have already had two people contact me, asking for help finding a good church. One was a new believer in CA, and the other was a new believer in FL! I was able to recommend good Bible-preaching Independent Baptist churches to both of them! In the Bible section, I give them a link to a good Bible app,

as well as the *Jewish Awareness Ministries* Bible Study podcast, in my teaching verse by verse through John (as that's where I recommend they start reading). There is also a link to ShalomShalom.radio for believers with a Jewish background, or new believers that want to learn more about the Jewish context of the gospel! I've had some great feedback about the site from pastors, and new believers. I have sent, and am sending this website link to every person that confirms to me that they just trusted Christ. **Please pray for the scores of new believers whom I've sent to this site. Please pray for their growth, and walk with the Lord!**

I have also had multiple discipleship opportunities through this. I had a conversation with a young man who is struggling with lust, and also wanted to know how to witness to his friends. I had another conversation with a girl who wanted to witness to her Catholic cousin, but didn't know how. I've had some asking about eternal security, others asking about how to get closer to the Lord, and some asking about how to begin reading the Bible. I have been overwhelmed by the incredible way God is using this one 59 second video!

**Please pray that these ones would get victory in the areas that they are struggling, and that the**

**Lord would draw them closer to themselves. Pray that they get plugged in to the churches that I recommend, and that they stay strong in the Lord.**

### **A NEW SUPPORTING CHURCH**

Just recently, I was contacted by the pastor of a church we had shared our ministry in just a few years ago. It was amazing that he contacted me and let me know that they were looking to take us on! This has happened a few times in our ministry, but it is definitely not the norm! Getting a meeting during this difficult time in our nation's history is a feat just by itself! **Praise the Lord for how He takes care of us!**
