Shalom Cherverim (Friends)!

There has been a lot going on in our ministry since I last wrote to you! We are so blessed to have gotten pretty well moved into our new home! There was a pretty significant financial strain in between houses, since we were paying multiple fees and expenses regarding the sale of the first and the purchase of the second, before we ever received any funds from the sale of the first home. It was tricky, but let me tell you, God has provided for our needs in many incredible ways! We are so thankful for each and every one of you who have given toward our ministry! We are equally as thankful for those who have prayed for us! There are times when we face difficulties and/or issues in our ministry and lives that having enough income cannot solve! Please pray for our Power, Provision, Protection, and for our Leading, Endurance, Effectiveness, Opportunities, Boldness, and Strength! **WE ARE SOOO THANKFUL FOR EACH AND EVERY ONE OF YOU!**

ONLINE EVANGELISM UPDATE

When I last wrote to you, I had made contact with 1,143 Jewish people online. **That number is now up to 1,268!** These are Jewish people I've contacted with the Gospel! I am sending out a message with our radio station website to them one by one, telling them what we believe, and asking them to listen to our radio. All of this has been done in about 13 months' time! In May, our radio station had accumulated 1,830 listeners from 66 different countries, now we are up to **1,937** listeners from **67** different countries! As of this very moment, your prayers and giving have impacted hundreds of Jewish people across the globe with the message of the Gospel! We are still adding more programming! **I also recently sent out about 2 dozen messages to Russian Jews all over the world, with whom I had made previous contact on Instagram – since we now have a Russian page with Russian programs on our radio! Please pray for this outreach, that those to whom the link is sent would listen to the radio station, and trust Jesus as their Messiah!**

DAVID

I little while ago on Instagram, I was "followed" by this guy. His name is David, and he is a very enthusiastic and popular Jewish activist/public speaker. He currently has almost 27,000 followers! I'm always surprised/blessed when one of my post garners the attention with someone who has as much influence as David. Here's where it gets interesting. I went to David's page to check out his background before sending him a link to ShalomShalom.radio. I found a photo of him on his page, where he is in front of the Dome of the Rock, on the Temple Mount in Israel. The caption read

"We have more in common with our brothers than we do differences. Yet we focus more energy and attention on what divides us than what brings us together – our shared human experience. Universal oneness. The magic and miracle of life.

While visiting the Temple Mount, I determined that towards my mission of cultivating collective consciousness (and if I plan to identify with any religion), I must read the writings of all of them – starting with the Old Testament, the New Testament, and the Quran. How can I truly understand my brother if we don't speak the same language? That journey begins today. They seem pretty long, so it may take a while. I'll be listening to them on audio. Think they will be read by the author?"

I sent David a private message: *"Hi David! Thanks for following me! I love and stand with the Jewish people, and the nation of Israel! I am an American Christian with a Jewish background. In some of your posts you talk about reading the New Testament as well as the Old Testament to better understand those with differing beliefs. I'm part of a radio station that is purposed to help Jewish people understand Biblical Christianity and the claims of Jesus - explained in a Jewish context. If you get a chance, would you check out our radio station, www.ShalomShalom.radio? Maybe it'd be a blessing. Thanks!! - Dan"*

I didn't really expect a response from David, but shortly after I sent him that message, he "liked" the above text, and then replied, *"so good to meet you"*. I replied *"Likewise!"*

That is the end of our dialog so far, but **I am praying, and would like all of you to pray for David's salvation. Pray that He listens to the radio, pray that the Lord convicts his heart of his sin, and of the truth that Jesus IS the Jewish Messiah. Praise the Lord for an AMAZING CONNECTION, and a seed that is being sown, that would not have been likely 20 or 30 years ago. I believe that this kind of contact is one of the very reasons for having our radio outreach! Thank you for praying for this ministry! Please continue to pray for more contacts, and fertile ground for the gospel! I am sending out messages just like this one all the time to new Jewish contacts on Instagram.**

THE HIDING PLACE

Last month, we had a last minute event scheduled at our headquarters – The Shining Light Players did a musical production on the life of Corrie Ten Boom. A friend of mine from college is a local pastor, and he told us about the group performing at his church. Mark called the group to see if they could do it here too, and they did! Some of my friends and acquaintances from PCC were part of the group! There were over 70 in attendance. **What a blessing!**

JACQUES & MARIA

Last time I visited Jacques, He agreed to listen to ShalomShalom.radio if I got him a device to do it with. I found a \$25 Android phone at Walmart, loaded the ShalomShalom.radio app onto it, removed all of the other apps from the screen to simplify it for him, hooked it up to the nursing home wifi, and showed him how to listen to our broadcast. I also wrote him out instructions with a diagram. Jacques is probably around 80, and isn't very technologically literate, but he seemed to understand how to listen to our radio station. I also spoke with him for a while about the programming we feature, and why. I told him we have programs that "clear the air" about what true Christianity really is, as opposed to Roman Catholicism. His eyes widened. I told him how Jesus never taught anything that would endorse or promote persecution of the Jews, but actually the opposite. "Really?" Jacques answered. I'm sure he'd seen his share of persecution by those who claimed to follow Jesus. He seemed surprised and relieved when I told him that Jesus actually taught the opposite.

Please pray for Jacques' eyes to be opened, his heart to be softened, and for him to understand and accept that Jesus is his Messiah! As far as Maria goes, I FINALLY met the right person at her nursing home to set up an eye appointment for Maria. She was a Christian lady, and she said she was about to cry when I told her how I'm trying to break through to Maria with the gospel. She said I'm the only person who ever comes to see Maria. Please pray for her appointment to go through, so see can see and read what I have given her, as it is very difficult to have any kind of conversation with her verbally.

GOD GAVE THE INCREASE!

About 2 or three years ago, a Russian-Jewish woman came into JAM with her associate to advertise a smoothie health bar that she owned. We spoke to her about Jesus being the Messiah, but she didn't want to hear it. Last month a Jewish believer came in, because he was curious about us. He said his wife was Russian Jewish, and that she got saved about a year ago! This was that woman!!!! Her name is Helen. Praise God! **You never know when you sow a seed, what God will do with it! AMEN!**
