**TIK TOK:** God is blowing my mind! My videos planting the seed of the gospel have had **over 482,000 views!**

I have had conversations witnessing to atheists, Jews, Muslims, agnostics, Israelis, and others! The vast majority of these views are unbelievers, because of the way TikTok's "for you page" works. If a video trends, then it is placed in the news feed of random people! I believe I have discovered a mission field that is "white to harvest!"

Here are **just a few** of the conversations I have had (of which I am having many, every single day):

**Avinoam** (right): He says (in Hebrew), "Dear Jews, ignore these wicked people who are trying to trick you into converting your religion."

avinoamshoval

commented: יהודים יקרים תתעלמו מהאנשים הרשעים האלה שמנסים בעורמה לגרום לכם להמיר את דתכם 15h

Avinoam is an Israeli Jew who commented on my video entitled, "Jesus is the Jewish Messiah." In this 1 minute video, I list numerous messianic prophecies fulfilled by Jesus. I replied to Avinoam, and told him that I'm not trying to change anyone's religion, and that it's a belief that Jesus is the Messiah, not a religion. He hasn't responded. Although, he and another Israeli got into an argument in the comments section. Neither are believers, but the other one (**Noel**) is more open to search out the truth. He replied to Avinoam saying it is a worse thing that the rabbis don't want people to think for themselves. Avinoam also said that "Christ" and "Christian" are from the word "cross" or "crystal." It's really strange. He's vehemently arguing with Noel about this. I inserted one comment, saying that "Christ" is the English translation of the Greek word for Messiah, which is "Christos." He also commented on another post calling me evil, and a stealer of souls. **Please pray for Avinoam and Noel to see the truth.**

**Abdul:** I posted a video about the Jewishness of the gospel, and how it is logical for a Jewish person to believe in Jesus – the Jewish Messiah. Abdul commented that he was Jewish, and that since so many believe in Jesus, that maybe He is the Messiah. I replied to Abdul, telling him of Isaiah's prophecy that the Gentiles would trust in the Messiah. I also told him about our radio station, and encouraged him to listen to it, and to view my other videos on Tiktok. **Please pray really hard for Abdul's salvation. He is searching. Pray that he seeks out what I told him, and that he would come to faith in Jesus as his Messiah!**

**Michael** (left): He is an atheist. The image to your left is a still shot of a video he made about me. He did this in response to a video I posted about God's love and the gospel. He listed his numerous objections to Christianity and challenged me to answer him – so I did. I posted a video just for him, answering each of his objections. It was meant as a private video, but somehow got 418 views. **Please pray for him.**

**Sam:** Sam is a Muslim. We went back and forth for a while. He would object to me about Jesus, and I would respond with the gospel. The last thing he said to me was "Well, it's clear that the Quran mentions Jesus more than any Bible version." I knew that wasn't true, so I looked it up to report my findings as a reply to his comment. I told him the Quran mentions "Isa" by name 25 times, and that the New Testament mentions "Jesus" or "Christ" 1,243 times. He hasn't responded. **Please pray for Sam. There are literally hundreds of others just like him, who have seen my videos.**

**Hiro:** He is an Israeli Jew. He commented in Hebrew that in Judaism, someone who dies can come back to life, but not someone who was murdered.

I responded questioning the truth of his statement, and asking him to differentiate between the Tenach (Old Testament), and the teachings of the rabbis. I told him that Isaiah prophesied that after the Messiah's death, God would "prolong His days." He hasn't responded. Another Israeli (**Saher**) chimed in and said "*Jesus didn't die. And if he did, who killed him?*" I replied that Jesus' death is a historically verifiable fact, and that He laid down His life voluntarily, and that He said no one was taking it from Him. **Please pray for Hiro and Saher to come to faith in Jesus as their Messiah.**

**Dan:** I posted video asking if the viewer was 100% sure that if they died today, they would go to heaven. This video included a poll where people could answer "Yes" or "No". I've had 79 votes with 49 "Yes" and 30 "No." The video has been seen by 239 people. **Dan** commented "I said no because humans don't know if you will go to hell or not. It's in God's hands and not humans and they don't know where I will go and I don't know also." I responded "The Bible says we can know for sure, based upon what Jesus did to pay the penalty for our sin." I also told him to check out my other videos. He hasn't responded. **Please pray for Dan, he really is thinking about eternity. Pray that he listens to what I've told him, and gets saved.**

**More than one person has told me that they were asking God for a sign, and then my video popped up! Please pray for the continued impact of this new ministry. I have never had such a wide reach in anything that I have ever done, and with that comes a lot of opposition. Would you pray for me to stay encouraged as the slander and verbal persecution comes?**

**THANK YOU FOR YOUR PRAYERS!**

### **SHALOMSHALOM.RADIO WILL BE REACHING JEWISH CELEBRITIES WITH THE GOSPEL!!**

I'm so excited to have a new "partner in crime!" Meet Dylan Novak. He calls himself "the Celebrity Evangelist." Dylan has a burden to reach Hollywood with the gospel. He's made it his mission to personally witness to famous people, and boy has he! Since 2018 he has given the gospel to over 500 celebrities! Many of which are Jewish. He has witnessed to Stan Lee, Tom Cruise, Hilary Clinton, Steve Martin, and Jerry Lee Lewis to name a few! Mr. Lewis wrote Dylan back to tell him that he accepted Jesus as his Lord and Savior after their encounter!!!

Pictured left are four Jewish celebrities Dylan recently gave the gospel to: Ed Asner (Mary Tyler Moore, Up), William Shatner (Star Trek), Gilbert Gotfreid (Aladdin), and Michael Rosenbaum (Smallville). He's witnessed to many, many more, there's just not enough space here. Dylan is excited to use our ShalomShalom.radio cards in witnessing to Jewish

celebrities. I sent him 100. **Praise God for this incredible opportunity!**

**Please pray for Dylan and this amazing ministry!**

### **A NEW CHURCH**

Not too long ago, Lois and I had to make a very difficult decision to leave the church we had been members of and serving in for the previous four years. This was a decision that was bathed in prayer, and advised by a multitude of counselors (including our ministry's director, other pastors and missionaries). We felt very strongly based upon the Word of God, counsel from godly mentors, and the leading of the Holy Spirit, that it was His will for us to find a new home church. I won't go into detail why here, other than to say, we believe that we absolutely have biblical authority backing our decision. We discussed our decision with one of the pastors there, and asked to be removed from membership.

We are now members at **The Way of Life Baptist Church** in Clayton, NC. We have been able to serve and grow in amazing ways, and God is blessing our ministry!

### **ROBBIE**

Robbie is a technician for our new IT services provider at *Jewish Awareness Ministries*. Robbie is in his 40's and has a military background. I invited him to our church, since he lived nearby. He and his wife started coming weekly. I had some discussions with him about his salvation, and it quickly became clear that he wasn't saved. He said, "Do you think I'm lost?" I told him that I did, and that He was just like I was before

**growth as a new believer!**

I got saved. I didn't want to push him into a false profession, because he had already claimed to be a Christian for decades. I gave him some material, and told him to think about it, and that I'd pray for him.

A few weeks later, our church was having a week of revival meetings. We were presenting our ministry at another church that first Sunday, but we heard that two men came forward that morning to accept Christ – one of them was Robbie! Here is a photo of Robbie getting baptized! **Keep inviting people to church! God still saves souls!! Pray for Robbie's**

**GETTING THE GOSPEL TO 15,000 HOMES  
IN A JEWISH AREA OF CLEVELAND!**

As you may remember, we started our ministry by taking the gospel to the Jewish population of Cleveland, Ohio for four years before making the move down to North Carolina. My heart is broken for this area. An old friend of ours from Cleveland is part of a new church plant (out of Cleveland Baptist), called Vision Baptist Church. I got a call from this pastor recently. He was asking if we had any literature we could give him to put in their packets for door to door distribution. His church is right in the middle of multiple Jewish communities! I asked how many he needed. He said they were preparing 15,000 packets! **Please pray for this amazing outreach! When I was in Ohio, I never dreamed of being part of something like this!**

**DANIEL, HAYDEN, AND COLBY**

Just before the whole Coronavirus scare started, I had one last opportunity to teach in Good News Club at Herbert Akins Elementary (I didn't know this would be my last opportunity at the time, since schools hadn't yet closed down these activities).

I taught about Paul preaching on Mars Hill about the "Unknown God." Three boys raised their hands in the invitation time, that they wanted to be saved! The boys were directed to meet me in the hall. We sat just inside the door of an empty room across the hall, I spoke to them about salvation, and made sure they were serious about it. **That day Daniel, Colby, & Hayden each prayed to receive Jesus as their Savior!** I'm always careful not to give false assurance, but told them if they truly meant what they prayed, that the Bible says they would be saved.

**Praise the Lord for these decisions!! Please pray that the Lord helps these boys as new believers!**
