Shalom Chaverim (Friends)!

"A GREAT AND EFFECTUAL DOOR IS OPENED UNTO ME"

Dear Supporter,

This is one of the most important prayer letters I've ever written.

I want to inform you of a change that God has led us to in our ministry.

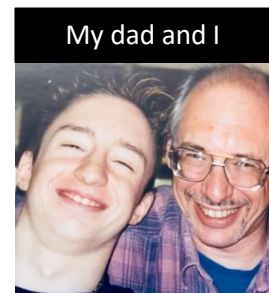

When I was 16, I surrendered to the call of God upon my life to preach the gospel, to go wherever He leads me to go, and to do whatever He leads me to do. This was less than a year after I had gotten saved. Along with this calling, I had a great burden for

my Jewish father to come to know the Lord (who actually trusted Jesus as his Messiah last year)! God worked in and through these things to call me into Jewish missions, focusing all of our efforts on primarily reaching the Jewish people with the Gospel. With God's leading and provision, that's exactly what we have done for the last ten years, beginning in Cleveland, OH, and then moving to North Carolina in 2015 to work out of our ministry headquarters to try and help grow and strengthen the ministry.

Since moving to North Carolina, my responsibilities at *Jewish Awareness Ministries* have shifted from recruitment of prospective missionaries and campus ministry, to being the Digital Ministries Director, which mostly entails audio/video production and graphic design (which I love doing). These productions can and have been used for evangelism, but throughout the last year I have been increasingly feeling like God desired me to be more personally involved in preaching, teaching, evangelism, and discipleship. Feeling as though there might be something more that God would desire for me to do.

Recording for JAM

In January of 2020, I happened upon a friend's Facebook post talking about how people can share the gospel on social media (specifically an app called *TikTok*). I made my first 1-minute Gospel video on *TikTok* on January 3rd. Since posting that video, I have also been posting similar videos on *Instagram* (another social network). Instagram created a feature called "Reels," which is just like Tiktok, but is more widely used. I almost can't believe the incredible fruit that the Lord has brought through this avenue!

As of the writing of this letter, God has allowed my videos to have almost 4 Million views with over 20,000 comments responding to salvation invitations, and well over 300 confirmed decisions to trust Jesus as their

Jewish man who got saved

Savior! I have never had this much fruit to anything I have ever done in my life! I actually had the privilege to lead a young Jewish man named Max (left) to the Lord over the phone in September, because he saw one of these videos! We messaged back and forth on Instagram, and then I asked if I could call him. We spoke for about 45 minutes, ending with Max praying to receive Jesus as his Messiah over the phone! He was so excited! Mark Robinson suggested putting Max in touch with a local Jewish missionary, who is involved in a church near Max (in New York City). He is now growing in the Lord and witnessing to others!

Praise the Lord for Max's salvation! Please pray for Max to continue to grow. He's currently a pre-med student. He told me he wants to live for the Lord now, and is no longer confused!! AMEN!

In the month of September, I began making videos asking people to send me a private message if they wanted to know more about Jesus. These videos asking for the viewer to message me, have had over 200,000 total views!

I have received over 70 messages asking me how to be saved, and have had the privilege to lead many of them to the Lord in the same month including a young lady in India, using messaging on Instagram!

How do I know I'm going to make it to heaven

I've received dozens of similar messages

Because of all of these decisions, I have created a follow-up website (New2Jesus.com) to help each of these new believers grow, and get plugged into a good, Bible-believing Baptist church. I have been able to recommend good churches to many of them, in their city and state (and even some in other countries)! One young lady from Manchester, England who was raised Catholic, got saved through Instagram messages! I was able to find a good independent Baptist church for her too!

Awesome! I made a website just to help new believers grow - New2Jesus.com 😊 You can also message me with any questions you have. 🙏 I can also recommend a good church in your city and state if you'd like!

New2Jesus.com - Welcome to the Family of God!
If you're here, it means that you probably just accepted Jesus as your Savior! We're so excited for you!! This site is here to help you...

thank you for sending my this

Due to the possible ban of TikTok in the US, I have shifted almost completely to using Instagram, and have been seeing even greater results! **None of this is because of me. It's all because of God's grace that a sinner like me could even fathom being a tool in God's hands. I desire to give Him full control over any and all that I do in life and ministry. ALL glory is to the Lord!!**

I made a video where I asked on a scale from 1-10, how sure the viewer would be that they would go to heaven. I've received many responses like these (below) and was able to lead many of them to the Lord!! **Praise God!!!**

hey man i saw your post and i wanted to be 11/10 % that i'm going to have eternal life

Hello, I saw your video and I would like to know, how can I know 11/11 that if I die right now I will be saved and go to heaven?

The following are names (or screen names) of those whom I have documented so far since my July prayer letter, that have told me that they trusted Jesus as a result of my videos on Tiktok or Instagram, or that I have led to Christ through Instagram messages!! 🙏👉

Mya, Jaelynne, Tatelon, Mypopa, Cats, Daniel, Fxkeeangel, ketchup.on.my.icecream, gaexl, pfp, Ella, Mike, Yellowwwwmewllo, Alondra, Tatyana, Yabe, Ava, Julian, Shawty, Sarah, Ed, Nino, Lia, Tina, azulayde, Carlos, Nena, Joelynn, Cece, lofi, Roy, Vanessa, Justin, Shining Stars, T5c1209, Hugo, Franzene, Alfredo, choppa, Majhe, Vbroskim, Lucy, User1008702, Natalie, Jordan, Kalia, keniaf, Cring, Lucas, Andrea, Selena, Ash, Raf, Abraham, gavin, Martin, Anthony, Merruam, Tajuan, John, Jay, User3634016085436, Kobe, Jacky, Analia, Jeremiah, Amayza, Exleafy, Holly, Roblox123876, J0f0gz, Ansley, Saints223, Denzel, Waterbell1234, Maddie, Raelene, Kimberly, Ilcloudxluvll, Maddie, Ilanie, Avengers5833, Amanuel, Sophia, Kendall, Matt, Wavydrxpz, Zar, Mary, darkvortex07, Oyinkansola624, revon, Kam, Shixx4, redpandasniperboi, Marcus, Kim, Kaila, Malert, Damien, Joey, Frank, Monkey, otr_vxnny, Yeayeafr, Cutler.mcaustin, Mia, Maddison, Jay, Matthew, Josh, Jakie, DeeDee, Carter, Larry, JJ, DJ, Conservative.teen_usa, Wand.isamabanga, Sally, Fin, rugrat_vibes, Tess, Sujal, Jaja, Officialbandkid, Alby, Monica, Jack, Josh, kingofdairyqueen, Lucy, josh, 4tiktok, Wangarim, Max Masabo, Keyanna, Lea, Kaylin, Saumya, Max, Small, Zoe, Jos, Sean, Jai, Brooklyn, Avery, Ellary, and Clealalle! **Every single one of these is an actual person, with a soul! They specifically have told me that they turned from their sin and trusted Jesus as their Savior! Each has been sent the New2Jesus.com website! I have been able to recommend good churches to many of them who tell me their city and state! More people are being saved every single week!**

We have seen so much fruit in this ministry! This is not “easy believism” or “quick prayerism,” but confronting people with their sin, and preaching to them repentance and faith! **These are people who have taken the initiative** to comment, reply, and/or message me, just to tell me that they turned from their sin, and accepted Jesus as their Savior! Every one of these names is a person. A soul who is now heaven bound because you gave and/or prayed! **AMEN!!**

WE HAVE COME TO A CROSSROADS IN THE MINISTRY THAT THE LORD HAS GIVEN US.

I BELIEVE WITH MY WHOLE HEART, THAT GOD IS CALLING US TO GO INTO DIGITAL EVANGELISM OF ALL PEOPLES FULL-TIME. More than anything else, I want to follow the Lord’s leading in my life. **I still desire to reach Jewish people with the gospel, but feel that the Lord is expanding and shifting my focus to put all of my time, and all of my effort into this new ministry. I believe therefore that the Lord is leading me to leave JAM, and go into full-time evangelism, focusing on the digital realm.** I didn’t expect, nor did I go looking for this opportunity. God has basically just dropped it into my hands! God has burdened me so greatly for this ministry! I have wrestled with this and sought God about it for some time. The more I sought the Lord through prayer, and in His Word, I have had more and more peace about going in this direction. I believe the Lord would desire for me to have a single-minded focus in this way.

I would never leave JAM if I wasn’t fully convinced in my heart and mind that it was God’s impressing upon my heart to do so. This has not been an easy or hasty decision. I believe that the Lord has been burdening my heart for this ministry over the past year, but it did not become clear to me that God would have me to leave JAM to pursue this ministry until recently. I have also sought counsel from others in ministry, and have agonized over this in prayer for over a month. Although it has not been an easy decision, it has become a clear one. I believe that the Lord has directed my steps unto this point. In a similar way, the Lord led us to JAM, and to Cleveland, OH, and now to the JAM headquarters. The Lord has given me a heart and a passion to reach as many I can, with the door He has opened for me. **None of this is because of anything bad or wrong with JAM. It is a wonderful board with wonderful leadership and personnel. I have no ill will at all or bad feelings about my time at JAM.**

Because of my responsibilities at *Jewish Awareness Ministries*, as well as the primary focus of that board, I simply could not Jump into this new ministry with all of my time and effort. **I will continue to reach Jewish people, but following what I believe to be very strongly as the Lord’s leading, I am now expanding my focus to reach all people, putting both feet through this amazing open door that the Lord has given me.**

Like Paul said in 1 Corinthians 16:9 ***“For a great door and effectual is opened unto me...”***

The last thing I ever want to do in life and ministry is ignore the Lord’s leading and direction in my life. **I AM NOT GOING TO STOP REACHING THE JEWS, but I feel that God is directing me to focus on this ministry that He has placed in my hands, to focus on reaching all peoples (Jew & Gentile alike), and to do it with all of my heart, and with singleness of mind.** If I were to neglect it, or do it half way, I would not have peace in my heart that I was fully obeying the Lord’s leading in my life. I cannot ignore this leading, the fruit God has given, or the souls who have yet to be reached!

I have spoken to our director about this, and we will remain with JAM through the end of the year, and then officially begin this new ministry of evangelism on January 1st, 2021. We will be based out of our home church, The Way of Life Baptist Church in Clayton, NC functioning as an over-seeing authority, and *Central Missionary Clearinghouse* as a clearinghouse for our support after we are no longer with JAM. Until the time that we leave JAM, we will still continue to promote and represent JAM fully and wholeheartedly in any meetings that we have scheduled, just as we have in the past.

I would greatly desire and ask you to consider continuing to support us, even though Jewish ministry would no longer be our primary focus. We are truly eternally grateful for your continued faithful support! We are getting the Gospel message to more people, and are seeing more saved than ever before in our ministry! There have been many Jews, Muslims, Catholics, and atheists who have heard the Gospel, and scores who have trusted Christ because of your giving. Would you consider continuing to give? We simply desire to do the Lord's will and gather fruit that would *"abound to your account."*

I have enclosed with this letter and attached with this email, a support form that you can mail to
Central Missionary Clearinghouse P.O. Box 219228 Houston, Texas 77218-9228
It is a one-time form to begin your support through CMC. After that, you will be all set as a supporter.
This is not required, but it greatly helps them to get a record started of your giving.

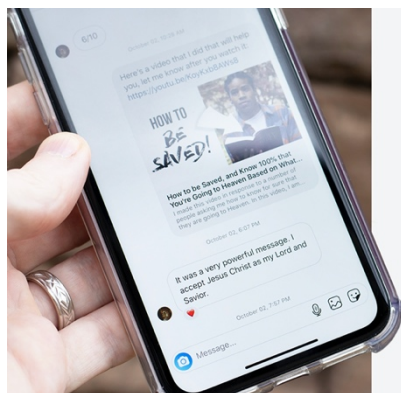

For **churches** that give, you can make the check out to Central Missionary Clearinghouse, with "Dan Bergman" in the memo.

For **individuals** who give, please do not put anything in the memo, **but rather, write "Dan Bergman" on a separate sheet of paper that you send with the check.**

Our final date for receiving support through JAM is December 19, 2020. All donations must be received by this date, or will be returned by the JAM office. Any support after December 19, 2020 should be sent to Central Missionary Clearinghouse as described above.

Future correspondence can be mailed to: Dan Bergman 2864 Matthews Rd. Clayton, NC 27520.

We feel very strongly that this is the Lord's will, and are seeing souls saved, disciplined, and plugged into good churches every single week! We are still going to be dependent upon church and individual support, just as we have been with JAM. If you would allow us, we would be more than happy to come and "re-present" our ministry to you, and share with you this new and amazing ministry that God has directed us to. **Thank you so much for your continued and faithful support of the Lord's ministry!**
