

REPORT of Luis Balam concerning PROJECT 5-10 in Tahdzibichen Pueblo, Yucatan

My beloved brothers in Christ,

May the grace of our Lord and Savior Jesus Christ be with you, your families, and your ministries!

We are pleased to say that God's is good to us, as He allows us to continue traveling 3 times a week to the village of Tahdzibichen. He also cares for us and meets our needs. Recently we were able to bring the lumber to the church that will serve as reinforcement for the roof. It cost us 12500 pesos (\$650 dollars). Right now we are waiting for the wood to dry. By the end of August so that we will be able, with God's help, to put them in place. Four men came from Merida to help me along with Madaleno, Esteban, Margarito, Manuel, Mezeta and Federico.

We have Acts 2:42 every third Friday. It is an activity in which we meet, we sing some songs and we have a devotional. Every Friday, the ladies' meeting is attended by an average of 8 to 11 ladies. We continue visiting with brother Madaleno and brother Esteban, who has already started his participation in worship services.

PLEASE PRAY FOR:

- The young people are going to camp
