

Dear Pastors and friends,

Greetings from south of the border in good old Mexico! Unfortunately we are still in lockdown mode and not permitted to travel to the pueblos.

But it is not all bad news! Pastor Antonio lives in the village of Tahdzibichen, and he has been able to minister to the people there (even though no church services are allowed yet). God's timing is good; Antonio was installed as pastor before the virus arrived. Luis and I would really like to go to the village, but apparently it's not God's time yet. Antonio has been doing an excellent job. Thank God for him because even in the quarantine he has been visiting the folks and having meetings with some of the

Christians every week in their homes. As a result, things are different for several families. Antonio witnessed to Santos and Sandra, and they received Jesus as their personal Savior. Then Jorge and his wife also gave their lives to Jesus Christ. God knows what he is doing, and what He does is always good! God's still working even in a time of quarantine! Amen?

Please pray:

\*for Antonio who left his secular job to serve the Lord full time, but without church services there are no tithes and offerings. We needed to get money to him. God led us to a trustworthy taxi driver from Tahdzibichen who was willing to take money to Antonio. And he only charges us \$2.00 to deliver it!

\*for his wife, Adriana, who is pregnant, and for their 2 daughters, Maily and Dana.

\*for Amalia who received the Lord as her Savior with Brother Luis. The last time we visited her (before the virus came) she said : "The day I die, I want you to come and do a service here for my family. I want them all to know what God did for me." Isn't it encouraging to see how God works in the hearts of people?

Someone once asked a Christian, "Who are you?" He replied, "I am a disciple of Christ". I think that is the best answer I have ever heard. How can so many of us say we are Christians when it costs us so little to be disciples? We must keep growing, going, and showing the love of Christ to hurting people everywhere!

Thank you for all you do for project 5-10

Donald & Luis
