July 2019

Celebrations and prayers answered!

This month has been a very busy month but I am excited to share with you all what the Lord has done! First of all, we celebrated the one-year anniversary of Iglesia Bautista Betel (Bethel Baptist Church). We celebrated with a day of preaching, teaching and a dinner afterwards. During this first year we have seen people saved, spiritual growth in others and visitors coming to the church. The Lord has been so good to us in allowing us to serve alongside of these people. We look forward to all the Lord has in store for this growing church.

Our women's ministry is growing and we are seeing spiritual growth. We had another ladies meeting and we had 13 in attendance. Our children's ministry also is going well. We have been working with the kids to memorize the New Testament books of the Bible and so far we have had 6 that can say them! We are excited to see them grow and learn about God's Word!

Another ministry we have started is called "a basket of love." As a church we bring in non-perishable food items and at the end of the month we give this to a family in need and we include a Bible and church tracks and information. The idea is we can reach others by showing the love of Christ.

Also, we know many of you have been praying for our situation of our Chilean ID cards. We praise the Lord that this has been answered and we have our new cards! Another praise: We were able to rent another house with a little more space for almost \$200 cheaper per month! Thank you to everyone of you that have been praying for these prayer requests! The Lord has worked in miraculous ways!

We are so thankful to be partnering with you all to get the gospel to Chile! Thank you for all you do for us through your prayers and financial giving!
