Church Update

Over the past month we have seen the hand of God working not only here in Chile but also through people and churches in the States. A note, phone call, email, text or a love offering has come in at just the right time. This is how missions works. It is a TEAM effort and we appreciate each and every one you, churches and individuals, who give to this ministry and partner with us. We do not take it for granted!

In the month of March we are teaching on Stewardship at the church. We praise the Lord that we have seen visitors and we have seen some growth in our people. Recently, we had a few of our teens go to camp. It was a blessing to see how the Lord used this week to work in their hearts and lives. Please continue to pray for them as they continue to grow in the Lord.

This month, the church started supporting their first missionary! We are so excited to see the people get excited over this. Lord willing, we are planning on adding a second missionary in the coming months. Missions is exciting!

Also this month, we will also be having our next ladies meeting. Please be in prayer that the Lord would use this time to work in the hearts of the ladies in our church and that we can use it to reach others!

Prayer Requests

Please be in prayer for our Chilean ID's. This has become a very long process of "hurry up and wait." Why it is taking so long, we do not know but we do know that God is in control! (FYI- These do not have anything to do with our permanent residency, these do however hinder us from doing many things that we need to do when they are expired) Also, please be in prayer for the upcoming paperwork for our daughter, Sofia, to receive her permanent residency without problems. Thank you in advance for your prayers.

God Bless,
