

THE CHACON FAMILY

MISSIONARIES TO CHILE

March 2020

Sitting back and thinking about how God moves and works in a ministry is breath taking. Being a missionary is a blessing because we get to see God at work in all sorts of ways!

Normally here, December through February are summer vacation months and some people leave and go on vacation for a month or two at a time! This can be difficult for a small church plant but we praise the Lord that we have seen growth during these months, we have seen several visitors and the church has been able to pay it's main bills on it's own! God has worked through His people to be able to see this done!

This month we also had a special activity for Valentine's Day. We had a special dinner for the adults in one room and a kid's activity in other room. In total we had almost 50 people in attendance!

Next month we are planning the official organizing of the church. We have invited our Pastor, Harry Strachan, to come and be our guest speaker for the weekend. We will start off the weekend with a church-wide picnic where we will be baptizing several people. Then Sunday we will be having the signing of the charter members of the church and ending it with the Lord's Supper. Please pray with us that God would be glorified in all we say and do.

Update from last prayer letter:

As you have read in our prayer letter we are praying to buy a second car to be used mainly for the ministry. We are amazed at how God has worked and we are at 45% of the total cost of the car! If you would like to give toward this you can send a check to:

Macedonia World Baptist Missions Inc.
PO Box 519
Braselton, GA 30517
