Dear Pastor and Praying Friends,

*Isaiah 41:10, "Fear thou not; for I am with thee; be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness."* While fear fills the hearts of many around the world today, I am thankful that God's promises are so sure and true. I am grateful we have an Anchor and a solid Rock to hold on till the storm passes by. Praying for God to strengthen the faith of His children and the light of Jesus Christ could shine through us all over the world.

*God was so gracious to give us a much better classroom!* We used to have this lunch hour Bible Club in a classroom above the kitchen where all the students would line up to purchase their lunch. Some of them would come up, eat, and fellowship outside the classroom, which caused quite a bit of interruption. The setting of the desks also made it difficult for me to interact with the students in my class. A few months ago I asked for your prayers as I talked to the head teacher concerning a different room. God answered your prayers by giving us this beautiful classroom. It is located at the back of the building, which provides a much quieter environment for us to learn the Word of God. God is awesome and amazing!!

*Reaching children for the Lord is always a joy and a privilege!* It blesses my heart to see those young ones come to know the Lord Jesus Christ as their Saviour. In February five-year-old Ryan T. made a profession of faith. Thank God for adding another soul to His family.

Besides teaching the children the Word of God, I also try to work with them in different areas like music. The kids in the singing group have improved much since we started almost a year ago. They now once a month sing a special at church and sometimes on special occasions. Please pray for God to help these precious children to love Him, to remain faithful and to live their lives for Him. Pray also for God to help them use their talents to serve Him.

In my last prayer letter I mentioned that God blessed Lifeline with a piece of land in a prime location. We thank God for each of you who prayed for our need and for those who helped financially. The building project has been in progress, and we look forward to the day we can move in.

In His Service,
