in Grenada

September, 2019

Dear Pastor and Praying Friends,

**Proverb 16:9, "A man's heart deviseth his way: but the Lord directeth his steps."** It has been twenty years since I first attended Metro Baptist Church in 1999. I thank God for the day He allowed me walk by the community centre where Metro used to meet. From that day I entered a new time in my life where I was once again fired up for God. With Pastor Mackay's encouragement and godly counsel I went to Bible college a year later. Now I have had the privilege of serving God as a missionary for ten years. Thank God for the godly Pastor and his wonderful wife He blessed me with. Thank God also for each of you for your faithful prayer and financial support that enable me to serve in the Caribbean.

In July I took a short furlough back to Canada to take care of some documents. It was a refreshing time for me and really helped me to regain my strength. **Proverbs 17:17, "A friend loveth at all times, and a brother is born for adversity."** Chun, whose family are also a members of Metro, has been a real blessing to me. Every time I went back Canada, they had me stay at their downstairs apartment, and she would cook me food that I enjoyed. I am pretty flexible about food, but it did make my day when I got to eat my favorite foods. I ate numerous pineapple buns (a sweet bun that has nothing to do with pineapple) during that short period of time. I had to stock up for the next several years.

At the end of August I held a graduation for my Sunday school class. Jade, Rieanna, Austin and Diana who had been in my class since I came to Grenada, along with several others who had been coming since end of July this year, completed the children Sunday class and now are going to the adult's class. Please pray for these kids to remain faithful. The temptation of this world is great. As they grow older and gain more freedom to participate in different activities, and as they go to secondary school and make new friends, it is very easy for them to slip away from church services.

I mentioned in my last prayer letter that I moved to a new house. It is a lovely house with lots of windows, but the disadvantage was they were without screens. With the unusual heat this year the mosquitos were about to carry me away day and night. I was grateful the church young men finally got a chance in mid-August to install screens for every window and I am now mosquito free. Another thing I like about this house is it is very close to the church and all the schools where I teach. I can go home in between classes.

Prayer request:

- It is hard to believe 2019 is almost gone and it is about time to renew my work permit. Please pray for everything to go smoothly.
- School started back in September. Pray for wisdom and strength.
- Pray that the new children in my Sunday school class will keep coming.

In His Service,  
Coco in Grenada
