

DECEMBER 2019 PRAYER LETTER

As we sit back and reflect on the last few months, we are amazed and blessed to see God's hand at work in our lives and the lives of those around us. The past few months have been very busy, but we are thankful for a loving Father that has given us the strength to balance all the many responsibilities that we have had. These months have also not been without some struggles, but in all of it, we have tried to keep our eyes focused on God and the job He has given us to do.

After so many years of serving God here in Hincesti, it is so exciting to see people's lives being changed and their desire to follow God with their whole hearts. Our weekly Bible studies with our men, women, and families have not necessarily grown in numbers, but we are seeing true growth in many as they better understand the Bible and are choosing to put into practice what they are learning. **Please pray for others to grow in their faith and for those that are growing to have an impact on the people around them.** The Sunday School program with the children has multiplied over the past year and it has been a pleasure watching them grow in their faith and understanding of God's word. It is also exciting to have added in new Sunday School teacher and to see them grow in their love for teaching the children God's word. Right now, the children are preparing a special program for Christmas. **Please pray that many parents, who do not attend church, will come to the program on the December 29th and hear about how Jesus came to earth to save us from our sins.**

As we are at the end of the year and the Christmas season is upon us, we are blessed to serve our Savior that came to earth as a baby, so that He could grow up and one day die on the cross to pay the penalty for our sins. **Please pray for the many services and outreaches that will happen in the next few weeks, that seeds will be planted and watered, but most of all that God will be glorified in all that we do and that He will bring a harvest in His time here in Hincesti, Moldova.**
