

DECEMBER 2020 PRAYER LETTER

As we reflect on this year, we are overwhelmed with how God has provided for our every need and has given us the opportunity to continue serving Him here in Moldova. **We would like to thank each and everyone of you who have prayed for us this past year.** Navigating through new rules and regulations because of Covid19 was a challenge, but because of your prayers and with God's help, we were able to watch the growth that occurred in many of our church members. **Thank you also for each individual and church that was able to continue to give financially, making it possible for us to remain here amongst the people that God has put on our heart. Thank you for your sacrifices so that people of Moldova can come to know Christ as their personal Savior.**

This year has not allowed us to do big evangelistic outreaches at Christmas time, but instead we have been able to reach out to the families and neighbors around us. Not being with family at Christmas is always difficult but being able to serve others always brings us much joy that makes the distance much easier to handle. **Our greatest prayer for this next year is that God would bring families back to church that since this pandemic started have not come to church. We are also praying that God would use the testimony of our members and the relationships they have with family members, neighbors, and colleagues to break through the barriers of traditions and religion and to see many come to Christ.**

We would like to wish you all a very Merry Christmas and a Blessed New Year from our family here in Moldova! May God bless each church and family with the Prince of Peace as we continue through the uncertain days that lay ahead. Merry Christmas!
