

MARCH/APRIL 2021 PRAYER LETTER

Maranatha Baptist Church

Our hearts are greatly encouraged by the growth we are seeing in the people of Maranatha Baptist Church in Hincesti, Moldova. It is such a privilege to serve our Lord here and to watch how His Word is changing their lives. We are so thankful that over the past year, we have been able to meet consistently as a church. Daniel finished teaching through Genesis and has now started teaching through the book of Revelation during our Wednesday evening Bible study time as adults. **Please pray that as adults we will learn and grow from this Bible study.** The past couple of months, we encouraged our adolescence to be reading their Bibles and coming faithfully to church through a competition amongst them. We were pleasantly surprised at their enthusiasm, determination, and hard work. **Please also be praying for each one of these adolescence. Pray for the ones that still need to understand their need for a personal Savior to accept Christ, but also pray for the Christian young people to continue to grow in their walk with the Lord.**

Covid

In the middle of February, we both came down with Covid, which hit us both fairly hard. After almost 2 weeks of fevers and body aches, we both needed to take a round of antibiotics to be able to get rid of our cough and everything in our lungs. It took us another couple of weeks to gradually get our energy back, but since then have totally recovered from Covid. **Our greatest praise was that not one of our children were affected by Covid and that neither of us had any major complications.** All of the children remained healthy and received an unexpected, early spring break from homeschooling. **Thank you to all who prayed for us during that time.**

Church Construction

Daniel and a few men from the church have continued working in our church auditorium. All the lights are installed, and the walls are all ready to be painted. **Please pray that we can make wise decisions in choosing flooring.** There are still many details until the auditorium will be finished, but with each new step done, we are getting more and more excited to watch how God is supplying materials, but also growth spiritually in the church.

1. Spiritual growth
2. Construction at church
3. Recovered from Covid
