

## OCTOBER/NOVEMBER 2021 PRAYER LETTER

The past couple of months have been filled with all of our regular programs and Bible studies at the church, but also many opportunities to be a part of the community of churches in our region and here in Moldova. In October, we celebrated Harvest Day with our church and once again were able to use this time to thank God for all the many blessings He has given us, whether physically or spiritually. For a few years now, we put together a stand of fruits and vegetables as a symbol of the bountiful harvest we have here in Moldova and how God faithfully provides for our every need. At the end of the service, we then divide up all the fruits and vegetables and take them to some of the widows that live in the neighborhood around our church. We have been given so much and it is always a joy to give to others who have so little and often times have no family here to take care of them.

Emily was able to attend a conference for pastor's wives and then at our church hosted another conference for the pastor's wives and women's ministry leaders from all the churches in our region. **Please pray that these women will find encouragement amongst each other so that they can serve the women in their own churches.**
