JULY-SEPTEMBER 2021

Dear friends and supporters,

Thank you for praying everyone! She said, "Yes"! God is good to me. Please pray for me and Japhia as we make plans in the coming months for the big day. Thank you for all those who have prayed for my life time partner over all these years. She is truly an answer to your prayers as well as mine. I will have her share her testimony in future correspondence with you all. Praise the Lord! I am just so excited to be engaged and be in the center of God's will. I will share you more details about our upcoming wedding and such as we know them. Please, do pray for us.

### COVID-19

My parents were hospitalized for 1 week with COVID. Praise the Lord, they made it out, and are back home recovering now. This did make things a little stressful since the Department of Health also locked me down in the home, but we are able get out now after passing our swab tests.

### WONDERFULLY SAVED

Four years ago, there was young man who came to church who oppressed by evil spirits, he was heavily into rock music and evil video games. During this pandemic he had a lot of time sit down and read the Bible. The gospel seed that was planted four years ago grew and he was wonderfully saved during his Bible reading. He has a great heart to reach the lost, and has enrolled in Bible college for this October! Pray for Cyril.

### A ROLLER COASTER OF MINISTRY

One of the things we have had to do, and do well, is learning how to adjust. So far during the pandemic we have been locked down, we have lost local pastors to COVID, our church put on 10% capacity, then banned from gathering, and even had an outbreak of COVID. Yet, I can see God's grace

and his protection upon us. We still have not come back to those pre-COVID conditions, nor I do not think it will happen anytime soon. Yet, I know God is working for us where we can not see. It is a blessed thing to trust in the sovereignty of God during uncertain times.

I can definitely say it's all by God's sufficient grace that we are able to ministry. We take joy in the fact that God has called us to minister in "such a time as this." Nevertheless, we do ask for prayer for wisdom and protection. Amazingly, we have baptized 27 this year so far. Our teens, and deaf continue to grow despite only being able to connect minimally in-person. God knows what He is doing, and we will keep pressing on and trusting Him, and continue in faithfulness to Him.

Your servant in missions,
