Dear Rev. Hon,

This month we have been working hard to finish all our paperwork in order to apply for our South African Visa. February has been filled with waiting for our FBI clearances and new birth certificates, marriage licence and so on. We are prepared to travel on March 2, 2019, to the Embassy in Washington, DC, to present our paperwork and applications for a new visa. Please be much in prayer that we can be approved the first time.

I had the pleasure of preaching the Sunday night service at Belmont on Sunday, February 3, 2019. The church served a real Mexican meal. It was good to see the ministry of God's servants in other parts of the world.

We had a wonderful South African meal at our missions conference at Belmont Baptist Church. It went well, with wors, millipap, tomato gravy, mashed potatoes, chicken curry, chakalaka, cooked cabbage, beetroot with chutney, green beans, and special South African desserts such as milk tart, brown pudding, South African pancakes and custard.

We rejoice that we were able to get our van back on the road after being down with a camshaft sensor problem which caused the engine to quit at any time while driving. Many thanks you to a young man in our church for doing the mechanical work on the van.

Please be in prayer for the church in the Bafokeng village, Phokeng Bible Baptist Church, as they are struggling with a church controversy. Pastor Emmanuel is doing his best to follow the Bible and do what is right. But there are a couple of men who are not willing to listen and work through the problem in a Biblical way.

We deeply appreciate your faithful support and prayers for us. God bless you for your faithfulness to our ministry in South Africa.

We are available to come to your church between March and end of June, if you so desire.

Yours in Christ's Service,

Michael J. Ferus
