## The Ferus Family

Dear Pastor and Praying Friends,

5 July 2020

***"...to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding;" Col 1:9b***

How can the two little words, "THANK YOU," attempt to express our deep gratitude for all of your love, prayers, help and support these past thirty-one years of our missionary service journey? Many of you faithfully stood with us since our original deputation in 1989. You faithfully stood with us through our years of adjustment after our arrival in Kenya. You faithfully stood with us during our move to South Africa. You faithfully stood with us throughout the building programs in Phokeng Bible Baptist Church. You faithfully stood with us during the training of national pastor, Emmanuel Nzolo. You faithfully stood with us as we went to Ledig village to build Grace Baptist Church. You faithfully stood with us for the training of national pastor, Alec Boni, and many Sunday School teachers and Ladies' Leaders. You have faithfully stood with us since we started having our visa troubles in 2015.

You have faithfully stood with us when we realized it was God's will to change, by selling our house and leaving South Africa to return to USA in November, 2019. You have faithfully stood with us during these months of praying and seeking God's direction for the next place of service. God has answered those prayers! Beacon Hill Baptist Church in Waco, Texas, has called me to be their new pastor.

I have tried to locate telephone numbers of all my pastors, which I lost in a December 2019 computer crash. I wanted to call each of you and speak to you personally. I apologize if I have not been able to contact you as of yet. Please email me your phone number if you would like to hear from me.

We so appreciate your choosing to take us on and support us in our missionary work in Africa these 31 years. Thank you and God bless you and your church. We will never forget your love and help!

Yours in Christ's Service,

*Michael J. Ferus*
