

THE FLOWERS

Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

August 2019

Dear Friends,

Last time we shared with you how God blessed us with a new building. These are a few pictures of before and after. Thank you for praying.

After we finished with all the renovations to the building, we had a week and then our English day camp started. This year we had 33 kids registered for our camp. Our camp ends with the children putting on a skit in English. We invite all the parents to come. This year we had over 90 people in attendance for our last day. This is a great opportunity for our church to share the gospel. We thank God for blessing our camp and we thank you for praying for it.

English camp

We also want to share with you a big need. Would you please pray about taking part in our English camp? We already have a group planned to come help us for 2020's English camp. We are looking for 2021 and beyond. Every year we have our camp on the

last full week of July. If you are interested in taking a missions trip and/or would like more information (such as what you would be doing, cost, etc.), please feel free to contact us: ja2china@yahoo.com.

If you don't feel like you would be able to come for a missions trip, please pray that God would put it on someone's heart to come. As our English camp's attendance each year grows, we are in need of more help; and this would be an easy opportunity for you to minister to the Taiwanese people without knowing Chinese. It will also impact their lives with God's Word. We hope you will prayerfully consider the people of Taiwan for a future missions trip.

Please continue to pray for April and the pregnancy. We are scheduled for delivery on August 26. Please pray that God will protect both mom and the baby.

Thank you for your faithful prayers and support.

For Him,

Jon & April Flowers
