

THE FLOWERS

Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

June 2020

Dear Friends,

We want to start by thanking each of you who have been faithfully praying for our family and our church family. We want to take a moment and share how God has answered your prayers. Since our last letter, the whole world has been turned upside down by COVID-19. With most places implementing stay-at-home orders, we here in Taiwan have continued to go to school and work and live life as normal as possible. Taiwan has still had a good number of people come down with the virus and a handful die from it. Compared to the rest of the world, our numbers have been low. We thank God for your prayers during these days. God heard, answered, and continues to answer.

We thank the Lord we have been able to continue to meet together for church. Although our numbers have been down because of the virus, we have continued to see God work. In our last letter, we asked you to pray for the salvation of Zhou Qi Ming. He started coming in February after receiving a tract in his mailbox. After attending our services for almost a month, I asked if he would like to learn more in a one-on-one Bible study. It was during this one-on-one Bible time that Qi Ming called on Jesus to save his soul. Since his salvation, he has continued to learn and grow. Please continue to pray for Qi Ming. God has given him a burden to see his mom and nephew get saved. On Mother's Day, his mom came for the first time. Please pray for the salvation of his mother Chen Xin Yue.

In our last letter, we asked for prayer concerning masks. We want to thank those of you who gave. God has given our church the opportunity to pass out hundreds of masks and tracts. This has been a great opportunity to let people in our community know they are loved, not only by our church, but also by you and most importantly by God.

I am so thankful that our God is not hindered by this virus. When so many are out of work or unable to work, God is still working. Let us continue to let Him work in and through our lives.

God is answering your prayers. Please keep praying for the Flowers family and for the people of Taiwan.

For Him,

Jon Flowers
