CHURCH PLANTING MISSIONARIES TO CHINA

January 2020

Dear Pastors, Friends, and Partners,

Happy New Year! We hope that the Lord has blessed the start of your New Year as He has blessed ours! Since our last letter, we've heard of three more supporting churches for **a total of 6 in the month of December!** Would you **pray with us that God would send six more in January?** We're excited to see what God has in store of 2020!

We want to thank y'all for praying so fervently for our family! We asked you to pray for the Goforth China Tour coming up this summer, and **there are three young people who have signed up for the trip!** We know that God is at work in China, and it's exciting to see young people who are interested in being a part of that work.

On the subject of laborers for the field, we were extremely blessed to be a part of the 2020 Our Generation Conference! God used this conference four years ago to bring me and Miranda together, so it holds a special place in our hearts. **This year, nineteen people surrendered their lives as missionaries!** I was able to meet with a young man named Kaleb who knew already that God wanted him to serve on the mission field, but he wasn't sure where. **After the conference, he spoke with me and said that he felt God leading him to China!** Praise God for calling people to serve Him all over the world and for calling this young man to serve Him in China!

Thank you so much for everything you have done for us! Because of your prayers and support, we are able to fulfill God's calling in our lives. Please pray that God will continue to raise our support so that we can get back to China, and that He will raise up more missionaries to tell the world about Him!

Yours for Souls in China,
Nathaniel, Miranda, Alistair
