

JUNE UPDATE

Proverbs 16:9 - "A man's heart deviseth his way: but the Lord directeth his steps."

We have been learning to enjoy the journey of deputation. While we want to begin our ministry in Ireland ASAP we know God has a reason in every season. God has directed us exactly where we need to be now and continually sharpens our vision for church planting in Ireland. This last month three adults were saved in response to preaching simple Gospel messages. We have learned so much from USA church planters, pastors, missionaries and the people at BIMI this last month.

In June, ten churches allowed us to present our ministry. We enjoyed being able to participate in soul winning at several churches and hear stories of how God is blessing as they faithfully declare the Gospel. We traveled in the states of OH, PA, IN, TN, NY, VT, GA, and DE. From June 6th-11th we were at BIMI in Harrison, TN for additional missions training. We particularly enjoyed the classes on family life and church planting! It was also neat to cultivate friendships with other families who have surrendered to full time missions.

PRAYER REQUESTS

- Survey trip to Ireland this September. Pray God would provide the right sponsor for our visa.
- Safety on our travels
- Spiritual fruit in July

PRAISES

- **57%** of promised support after 9 months.
- God's protection and 8 new supporters
- Completed candidate school at BIMI.
- Three people were saved after the preaching ministry in June.

IRELAND SPOTLIGHT

Greater Dublin has a population of more than 1.9 million people in the Republic of Ireland. This region accounts for 40% of the population in the Republic. Dublin is the capital and biggest city on the island. The city is divided in the middle by the river Liffey. There are at least 600,000 people living on the Northside of the river with zero independent Baptist churches in that region. Please pray for more laborers in the Northside of Dublin!

Sending Church: Franklin Road Baptist Church
BIMI Missionary #1628 | P.O. Box 9, Harrison, TN 37341
