

MARCH UPDATE

Gal. 2:20- "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me."

It has been a blessing to observe churches who rather than living defeated Christian lives are seeking to live with the power of the resurrection. Moving forward and trying to reach the world requires faith in Jesus Christ's power and presence rather than what our flesh can produce. The meetings have been very encouraging! We have been in some church plants where God is doing some amazing things! Also, we have met many young people who were unashamedly passionate for Christ. There have been many older saints who have encouraged us with what God has done in the past and were excited to see what God will continue to do in the future.

In the month of March eleven churches allowed us to come and present! We had the opportunity to minister with preaching, singing, and outreach at most of these churches. One of the joys of deputation is having the opportunity to speak to young people about missions in children's churches and Christian schools. We traveled in the states of FL, AL, TN, KY, NC, and MD. Five more churches partnered with us in financial support this month!

IRELAND SPOTLIGHT

Don't let this carnal world steal away the reality of the resurrection story. Patrick's first year of ministering in Ireland was in 432 A.D. Leading up to Easter week the pagan Druid king declared that there would be a week of darkness. No fires could be lit until the druid priests lit the high kings fire. Patrick climbed to the top of the Hill of Slane and lit a huge bonfire. The light drew many Irish people to the hill where Patrick declared the Gospel and many received Christ. No government, no matter how wicked or powerful, can ever extinguish the light of the Gospel!
