

MAY UPDATE

John 15:12-13 - "This is my commandment, that ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends."

For a Christian, this recent Memorial Day should have a double meaning. I am thankful for the sacrifice of the American soldier whose deaths preserved the Judeo-Christian ethics that have made America a great nation. The greatest thanks deserves to go to the sacrifice of Jesus. Without Jesus those ethics would not even exist. These sacrifices should motivate us to love others with the Gospel of Christ! Death is inevitable, so we must introduce as many people as we can to Jesus Christ to change their eternal destiny.

During the month of May, thirteen churches allowed us to present our ministry. There has been a spirit of excitement at the churches we have been to as they are looking forward to their outreaches. It was a lot of fun to be part of one churches teen outreach where they hosted a nerf gun war on their property. It has also been encouraging to witness faithfulness. There was one church that has been faithfully declaring the Gospel for over 125 years! We are also thankful to see people we went to Bible college with faithfully laboring for the harvest. We traveled in the states of OH, PA, IN, and MI. Five more churches have informed us that they are partnering with us financially to reach Ireland! Dozens of people this month have approached us to let us know they will commit to seriously pray for us. Thankful for some families who said they "adopted" us for a certain week or month to pray specifically for us.

IRELAND SPOTLIGHT

Dundalk is a city with a metro population of 55,806 people in the Republic of Ireland. It is the county town of Louth. While Dundalk was known as one of the most economically depressed areas in the Republic, that is beginning to change. This is due to it being halfway between Belfast and Dublin which encourages new businesses to set up in Dundalk to do business with these large cities. Dundalk does not have any Independent Baptist churches. Please, pray for laborers for Dundalk!
