

November 2021

Dear Praying Friends and Family,

As always let me say thank you for your faithful prayers and support. The occasional notes of encouragement, and reminders of your prayers for us mean so much. Christmas is quickly approaching, and Australia is beginning to emerge from the pandemic. There will still be some restrictions here and there, but we believe the age of stern lockdowns is ending. Australia is starting to welcome international travel again, and the strict boarder restriction between the states are easing. Lord willing it will not be long when life is back to “normal” again.

Exciting News is Coming

We will have some exciting ministry news to announce in the new year. We are thrilled about what God is doing and will be personally contacting each of our supporting churches in January by phone. I will work on touching base by email to schedule a date and time to call.

Desire for Ministry

Since its inception, the church has been a place of healing. As she gathered each week and the individuals connected with each other people found revival through the simplicity of the Gospel. Finding healing God has begun to stir within this small family a desire for ministry. People are starting to look beyond the walls of their own little world and seeing the need both across the street and around the globe.

Baptism

A young man moved here from Queensland to complete some training with the Australian Royal Airforce. His grandfather had spoken at the church back in April and referred him to us. Since connecting with the church he has grown tremendously in his faith and expressed a desire to be baptized back in August. With the weather now warming up we are excited to be helping this believer follow the Lord in this next step of obedience.

BAPTISM

Once again thank you for your continued prayers and support. God is working and the Gospel is moving forward around the world.

Your Fellow Servant,

Adam Gibbs
