

# HAVEN *Happenings*

*Wayne and Kym May*

A new year has begun and we are in full swing! We have new arrivals from Huntington Beach, CA., Sweetwater, TN., Chelsea, AL, and Bland, VA. The need is tremendous. God has blessed and we thank the Lord for His work in the lives of the girls! Recently, one young lady accepted Christ and was baptized! Another received assurance of salvation! Our church had a missions conference and there were decisions for the Lord from several of the girls. The Lord is developing a desire in the girls to serve Him.

We recently visited Crown College and were able to hear Pastor Todd Bell from Maine preach and take a tour of the college.

The faculty and facilities

were impressive. The girls had the opportunity to see what it might be like to attend a Christian college.

If there is one thing we need more than anything else it is prayer! Your prayers make the difference. When God is moving I know it is because someone is praying! Thank you. Your labor in prayer is evident and hearts are being changed!
