## **Praying Brethren In Seeking The Lord's Kingdom,**

Thank you once again for allowing us to communicate by means of this letter. The weather here is quite variable, it is hard to predict how it's going to change. It's simply hot and muggy. Anyway, hurricane season is just around the corner and usually brings rain our' way.

## **Regional Distress**

On the political side, the Venezuelans keep coming, as unemployment grows higher and the local economies have less and less resources. Nevertheless, the government is trying to carry out work projects and development, but the costs of everything along with providing humanitarian aid makes it hard to get done. They are preparing for the elections in 2020. In the meantime, the ELN shows that they are still active from time to time and still are here to force the government's hand to make some sort of concessions to them.

## **Colombian Holidays**

This time of year, is also vacation time and corresponds to the two-week Christmas vacation in the U.S. So, lots of people are travelling and visiting family.

## **The Need For The Lord To Open Hearts**

Also, we were able to share with a Venezuelan while out evangelizing who complained of having chest pains. He was taken to the hospital, but they did nothing for him and the man died on the way. Even more, a neighbor who lives in front of where we live died. He had received a tract from us, but never had really given us a chance to talk to him about his salvation.

## **Some Positive Things That Encourage Us**

We have seen lots of professions of faith while evangelizing. Please pray that the Lord stir hearts to come to Church. We thank the Lord for one young lady who came recently on a Wednesday Night service and accepted the Lord. She came back this last Wednesday Night and brought another young lady with her. She said that she was thankful for her salvation. Her mother has come to Church. Please pray for her. Her name is Natalia. A young man named Jhosid accepted the Lord. Another couple of women that are young mothers (Oriana and Gres) accepted the Lord.

## **Prayer For Other Needs of the Church**

We will also be celebrating the Church's anniversary in August. There are two ladies that are preparing to teach and are helping with children's Sunday School. We are continuing to have discipleship and other activities at Church, with emphasis on soul winning. Please pray for a lot or a building for the Church, and for men and women who have a heart to seek for a holy life in being faithful to the Word of God.

## **Prayer For Our Family**

Please continue to pray for our overall health and safety. The Lord has always been there in watching over us and having His hand with us. We thank you for praying that the Lord keep us under His divine protection and provision. Thank you for giving as to the Lord.
