HEATONS TO HIS HARVEST

Dear Friends and Fellow-laborers in Christ,

August 2020

August has been a wonderful month filled with lots of traveling and more churches partnering with us in financial and prayer support. We celebrated one year on deputation this month. It is hard to believe we've completed 12 months of traveling, presenting, and sharing our burden for the people in the UK. God has been gracious in our deputation travels in giving us safety, provision, and health.

"They shall come, and shall declare his righteousness unto a people that shall be born, *that he hath done this*" - Ps. 22:31

Every good thing in our lives is nothing of us, but HE hath done this! The Lord has kept us safe from sickness as we have traveled to several states this month. We had meetings in NJ, NC, SC, GA, and TN. As we have traveled, we have seen a fresh and sweet spirit in churches. It would seem that despite the current economic, political, and health situation, God's people are more encouraged than ever. We are praying for the revival of our country!

We spent a week up in NJ presenting at two different churches. We were able to stay with the Pastor and his wife all week. We enjoyed a great time of fellowship with this couple, and enjoyed the brief tour we got of southern NJ! Both of these churches voted and took us on for monthly support!

After leaving NJ, We stopped for a short day trip in Washington D.C., as neither of us had visited before. We enjoyed seeing our nation's capital, monuments, and the Bible Museum. It was nice to spend time together exploring, and thinking about the history of our Country.

From D.C. we spent one week in North Carolina. We visited three churches in NC. A local church allowed us to stay in their prophet's chamber for a week, which was a blessing to us. We had wonderful meetings with churches we had been in before last Summer! It was wonderful to be back with familiar faces. On Wednesday evening, we presented and preach at Amazing Grace Baptist Church. We got in contact with this church because we went to school with the Pastor's daughter and son-in-law. The church voted at the end of the service to take us on for support!

From NC, we traveled down into South Carolina and spent a few days with a Pastor and his wife. We had met this pastor last Summer as we traveled with the Crown College singing group. They were gracious to let us stay with them and show us around their city. They took us to the Cypress Gardens, where we saw alligators and paddled around a swamp! It was beautiful day spent in fellowship with some wonderful people.

While in GA, we spent a few days with Bethel Baptist. Jonathan was able to preach and present and we enjoyed spending time with the church members. This church voted and took us on for support at the end of the service! We finished up this month at Shenandoah Baptist in TN. We had a great time in the morning and afternoon service. We were given the opportunity to sing, preach, and present. The Lord blessed in these services too.

We celebrated a year on deputation this month!

We have traveled to 87 churches in 14 states, and have traveled just over 40,000 miles. It is hard to believe it has already been a year. The Lord has taught us so much over this past year and we give Him all the glory for how He has divinely worked and guided. We have just over half our support and are praying to be fully supported by Spring 2021. *We know God is able!*

May we have the courage we need to serve God where we are.
