TO HIS HARVEST

Dear Friends and Fellow-laborers in Christ,

January 2021

Over and over again this month, it seems like the LORD has graciously reminded our hearts to trust HIM. How thankful we are that our hope lies not in our circumstances, feelings, or ideas, but rather in the person of the Lord Jesus, who is the same yesterday, today, and forever. In HIM is no variableness neither shadow of turning! The first month of 2021 has been memorable and wonderful, and we are thankful for the Lord's guidance and presence through it all.

On New Year's Day, we set out on a three week trip out in the South-West and Mid-West. We had a wonderful time staying with family while in the area and attending a few revival services at a supporting church, Northside Baptist, in TX. Our supporting church also gave us the opportunity to teach and preach in the academy chapel services. What a joy to teach the next generation about their purpose in the Lord's work!

While returning home from a revival meeting in East TX, we hit a hog and messed up the front of our car. The Lord protected us through the accident, and we saw Him provide in amazing ways. We praise the Lord that our vehicle was fixed and we were given another situation to trust to HIM! On our first Sunday out in Texas, we presented at two churches in the Austin area. We were thankful to have met these congregations and share with them the work we are going to join.

We then traveled to Grace Fellowship Baptist in NM. We greatly enjoyed getting to know the Pastor and Youth Pastor and their families, while sharing a meal before the service. We were blessed by the fellowship.

While in the Dallas area, we had the privilege of presenting and preaching at two churches. After the evening service, we had a wonderful time fellowshiping over a meal and Bible trivia! It was special to be reminded that the family of God is so connected, and though we may all have different callings and backgrounds, we share the common bond in Christ!

While in OK, we had the pleasure of presenting at Bible Baptist. We had the best time with this congregation and getting to know the Pastor and his family. The Pastor and his family were such a blessing in providing home-cooked meals, and encouraging conversation. We left this meeting encouraged to continue for the Lord. We had the opportunity to return back to East TX and present at two more churches for Sunday. Again, the Lord blessed and we shared a great time of fellowship with the Pastors and their families! To finish up our trip we visited our pastor friend in NE. We were so encouraged by how the Lord is blessing this congregation! We arrived home safely and finished up the month visiting our home church and a sister-church in the area.

It is evident that the Lord went before us this month, and gave us a profitable time traveling. We presented in five states, traveled over 6,500 miles, and have heard of three more churches taking us on for support! Thank you all for your investment finically and prayerfully.
