Pray ye therefore the
Lord of the harvest,
that he will send forth
labourers into his
harvest.

– Matthew 9:38

Dear Friends and Fellow-Laborers,

May 2020

We thank the Lord for the past month as we were able to travel to a few meetings, our home church resumed in-person services, and we had two churches vote to take us on for monthly support. It is hard to believe May has come and gone, but we are thankful for the Lord's provision and direction the past few weeks. Truly, He is good.

We began the month attending Calvary Baptist's drive-in service held in Tennessee. We were given the opportunity to share our ministry burden and also minister in song. Gracie's youngest sister traveled to this meeting with us and we enjoyed having her join us in singing. Also, in Tennessee, we attended the services of Wayside Baptist. Jonathan was given the opportunity to teach in the Sunday School hour and share our ministry with the church. We were blessed by the fellowship of this congregation. The next week, we received a word that this church had voted to take us on immediately! We praise the Lord for those who even during this time of uncertainty remain faithful to the Lord and His work.

We were blessed to have attended two weddings this month of close friends. It was extremely special to watch these friends come together in the Lord and begin their lives together. We are confident they will accomplish much for the Lord as they yield to Him and serve Him in their new roles.

This month we have been privileged to be involved with the Pioneer Bible Club by sharing a testimony, Bible truth spotlights, and creating visuals. The Pioneer Bible Club is still airing every Sunday, Wednesday, and Friday at 9AM EST on *The Crown Christian Heritage* Facebook page or their YouTube channel. If you have children or know of children, please share the Club with them as we know it will be a help and blessing to them! We love having a small part in this ministry and pray it continues to reach the lost with the Gospel and encourage the saved to continue to live for the Lord!

We finished up the month at Friendship Baptist in Virginia. This church has been supporting us for several months now, but this was our first time going to their services to present our ministry. We are thankful for our friends here and enjoyed spending the day in the Lord's house with them. Though this month was not full of meetings as originally scheduled, we count it a blessing to have traveled and been in three different churches, attended our home church's services and participated in them, and spent time with our family.

During this time of quarantine, many of our evenings are filled with time at home reading scripture, playing board games, and going on lots of walks in our neighborhood.

We are enjoying this time with our family because we know there will be a day when we long for times like these. This 'pause' has been a time that we have treasured. We know even circumstances like these have been graciously given by the Lord and we praise Him for it.

Please continue to pray for us as we are seeking wisdom about traveling to meetings, for states to continue to open up and opportunities to present our ministry in person, also, that we will continue to gain support during this time. Thank you for your continued prayer and support. We are praying for you! – In Christ, Jonathan & Gracie Heaton
