It begins...

This past month of March has been an eventful one. We were able to officially announce our change of field to being Church Planters in North Idaho in the Northwestern United States. We were officially sent out on March 17th and held our first service in our home on March 21st. It has been a whirlwind setting up, moving cross country, still trying to acquire a building, getting tracts and literature printed and starting weekly discipleship with a new family. With all that being said God has been so good & worked more miracles than I can explain in 10 letters. It is such a privilege to serve such an amazing God.

We had 3 families totaling 11 people for our 1st service and have already seen the Lord working in their lives. We are beginning weekly discipleship with one couple who has been attending & are looking forward to watching them grow in the Lord. God has been so gracious to us giving several new contacts & neighbors that are in need of salvation that we can work with on a daily basis to lead to Him. We are getting our Church tracts printed this week and are looking forward to using them for Jesus Christ to help us lead many souls to Him.

Moving forward we have several requests. We are currently in the process of locating a building to rent. Our first building opportunity fell through and has sent us back to the drawing board. This Easter we had a great service but again filled up our living room and need a larger place to meet. This will be our main focus for the ministry (& Discipleship of course) until we can secure a long

term rental where we can meet regularly. Please pray for us as we begin to look closer into the larger cities because Real Estate is much more expensive there and harder to come by, but we know God has a great plan for us. Also pray for us as we will be raising the money for the deposit, equipment, furniture, & renovations for this soon coming project so that once we secure the building we can get right to work. We also still need 9 more Partnering Churches to help us get this new work off the ground.

If you have any questions please feel free to contact me: 706.540.8559 or raleigh.hill@me.com, or if you would like to plan a trip to come help us with the renovations & evangelism. Thank you all so much for your love & support.
