### New Parents & Partners

This month Nacho & Laura are expecting the arrival of their first child a beautiful baby girl "Abby". This is a

big change and they will need big prayer help. They are currently overseeing the New Life Baptist Church in Dina Huapi, Argentina.

In July the Ventura Family will be joining us to train & plant the Grace Baptist Church in late 2020. We are also raising funds (\$1k a month for 12 to 18 months) for them to plant the Grace Baptist Church in Bariloche Argentina.
