November/December 2020

Dear supporting churches and friends,

Happy New Year to you all! Last year was a time of difficulty for many, and we feel so blessed that through it all, we have so many faithful supporters, both in prayer and giving. God was gracious to us and gave us more blessings and financial support beyond our expectations!

We have officially started our furlough meetings within the last week. Meetings started for us the last Sunday in December, and our schedule will continue to be quite full throughout our next 4 months here. We realize that this timeframe does not allow us the opportunity to visit all supporting churches during this furlough, especially those towards the western part of the U.S. If we are unable to visit your church in person, please let us know if we can connect to your church during our time here via Zoom, WhatsApp, or whatever your church may use.

January and February will be filled with meetings in MO, KS, GA, SC, TN, KY, PA, and NJ. Please pray for us as we have many miles to travel within the first two months of meetings. Despite the many miles, we are very excited to see familiar faces and meet new ones along our path.

Though we are looking forward to seeing our extended church family here in the States, we are anxious to be back with our church family in Brazil. We plan on going back in May and we are praying that the local governments will loosen their renewed pandemic restrictions.

We thoroughly enjoyed spending the holiday season with our families in both OH and MO. We realize that this was such a blessing since many people were not able to be with their families this year. Gabriel turned 5 in November, Caleb turned 2 in December, and Adelyn will turn 4 in February. We have been watching cartoons in Portuguese often to keep the language somewhat fresh in our minds, which is both fun for them and us! Thank you again for your continued prayers and support over these last few years, and the last year specifically! God bless you all throughout this new year, even beyond your expectations!

Until the next adventure!
In His Service,
Nick & Shaney Hilliard
