## MOBILIZATION 2020 VISION

Dear Friends,

The Lord has laid on our hearts "THE BEYOND" for future ministry. Daystar Baptist Missions has missionaries in the Dominican Republic, Ecuador, and South Africa. To God be the glory for the great things being done in these countries.

**THE BEYOND is the next country where we will apply the Daystar strategy of *strategic church planting utilizing the team concept to make disciples*.** Our Lord Jesus said, "The harvest truly is great (plentiful or ripe unto harvest), but the laborers are few." He gave His disciples a solution for the ripened harvest without laborers. He said, "therefore pray..." (Matthew 9:37-38)

The ripened harvest without laborers compels us for the BEYOND. Prayerfully consider a partnership in reaching this harvest. Our request is two-fold:

1. Join us as a PRAYER PARTNER. The modern missions movement was launched into the "nations" because the church prayed! Now more than ever it's time that the church must again pray. Not just praying, "God bless our missionaries, keep them safe". But instead, pray urgently for laborers!
2. Become a FINANCIAL PARTNER for MOBILIZATION 2020! Mobilization or recruitment is "feet on the ground" to get the Daystar message and strategy to prospective missionaries, opening new doors for the gospel!

May I be quite honest with you? The budget for Mobilization is limited. Why? The answer is simple: Since its inception in 2002, Daystar has only charged its missionaries a 5% administration fee, while other organizations are charging much higher fees.

The expense of traveling to Bible colleges, universities, Christian schools, and churches to mobilize workers is costly. Would you consider partnering with us to help open the doors to the next ministry similar to what God has done in the Dominican and Ecuador?

### CONSIDER THESE WAYS TO PARTNER WITH MOBILIZATION 2020:

- One time or annual gift for mobilization
- Monthly support the Mobilization 2020
- Donation of SkyMiles and motel/hotel points for travel

The mobilization team includes Doug Hodges, Kevin Hammond, Lee Wimberly. These are joining me with a compulsion to send out teams to "make disciples of all nations."

Thank you for prayerfully considering a partnership for the next wave of Daystar missionaries. Please let us know how you can help!

May God bless you,
