Dear Friends in Christ:

I would like to take this opportunity to express my thanks and appreciation for the financial support; also want to thank you for your love for the Jewish people and prayers for them that they might come to know JESUS as their personal Messiah.

The Voice for Israel has been expanding so rapidly in the last several years that it's hard to keep up financially to purchase all of these Bibles, etc.

Pray for my Health several week ago I fell and my son took me to the Hospital the Doctor found my heart was very weak he operated it and inserted a pacemaker I was in the hospital for 20 days, now I'm back to my house, and two weeks I'm going to be at different churches to drop several boxes of bible, please pray for everything will be done also my son Paul, who work for FEMA, has to go back to work; and Mrs. Jackie who speaks a little English, she is from Panama Country is helping me right now in the office at part time, so pray for her too.

May the Almighty God richly bless you in every way, Just be praying to Jesus comes soon and take us with Him.

Yours for Israel's salvation

Bro. Jack L. Davis
