

The Jackson Family Alan & Becky

May-June 2019

Hello Praying Partners and Co-laborers in the Ministry,

Since our last prayer letter many events have taken place and many wonderful people have made professions of faith in Jesus Christ.

One event was the marriage of William and Alma. William came to the very first service at Bethel Baptist Church that was started in August of 2004. He was 14 years old and in need of salvation. Soon after coming to church he made a profession of faith in Christ and started his new life. He was faithful in every church service, youth meetings and then soul-winning. He graduated high school and started training in the Bible Institute. He continues to serve the Lord faithfully in church and now has a beautiful wife to serve with him. They were married on April 13, 2019.

After the wedding, we were able to help a well digging ministry drill for water in two small communities on public school property. We had the opportunity to take the seminary students to these two different sights, to teach the children the Bible for the week. What a blessing to see them prepare and work for the honor and glory of the Lord. They were able to see many decisions made for the Lord during these two weeks. In addition to the students, on Friday after drilling, they held a special parent meeting where the Word of God was preached. What a blessing!

Another blessing is the second dorm on the camp property is almost done. We are installing the windows, doors and the bars over the windows by the end of next week. We will be able to start wiring the lights as soon as the doors and windows are done. What a blessing to know that these facilities will be used to encourage, train and build up the pastors that come to the conference each year. In addition, the youth group will have a place to go each year for their annual "youth camp." There is a plan in place to use these facilities for men and women's meetings, family conferences and other get togethers as well.

Finally, we are writing to inform you that after much prayer and counsel from various spiritual leaders and pastors, Becky and I have made the difficult decision to resign from Baptist International Missions, Inc., effective the end of June. Our decision to return from Honduras is based on a call from the Lord to pastor the Heritage Baptist Church in Evansville, Indiana.

Our departure has nothing to do with any difficulties on the field, or due to the ministry being too hard. Nor is it due to marital problems, financial problems or any sin that would prevent us from serving our Lord. The ministry here is vibrant, going well and has a new pastor that has been trained and equipped to take over the responsibilities of the church. Pastor Josué has been serving with us since 2008, and he will take over as pastor of Bethlehem Baptist Church.

Your faithfulness to pray and support our family over the years has been a great encouragement to us and we will forever be grateful for you. We will continue to serve our Lord and Savior Jesus Christ.
