Dear Friends and Family,

We have arrived in the USA for furlough. We touched down this past Tuesday afternoon after around 30hrs of traveling. It's good to be back in Georgia. We have already had a refreshing time of getting to see friends and family. We want to say a big "Thank you" to Whitfield Baptist Church for all the help getting settled in.

Just a day after we arrived we headed to Gatlinburg, TN for our sending church's annual marriage retreat. My pastor asked me to teach a couple sessions. We had a blast. It was a fantastic way to start our furlough and for Corli and I to celebrate our 16th anniversary. My pastor, Wayne Cofield, does a phenomenal job leading and teaching these marriage retreats. If your church would be interested in having one you should consider having him come. His email is pastor@whitfieldbaptist.org. He started and has pastored our church for 42yrs.

We left South Africa on a very positive note, God had answered so many of our prayers concerning the work there. He raised up around 9 preachers in the church! He raised up a solid deacon to aid the pastor and most importantly he raised up a pastor to shepherd the church. This past Sunday the church was packed! Stefan's (the shepherd) parents even came to church! He has been praying for them for a looong time. Pray for their salvation as they come out of a very religious background (Dutch Reformed).

We are looking to raise some additional support over the course of our furlough as we have lost some over the years and have not really raised much new support since our initial deputation. If you know of a church that would have us in please let us know. We have some dates available. I also want to be used to make an impact on young people if possible so even if a church can't support us but would like for me to come speak to their young people that would be an honor.

I would like to leave you with a few prayer requests:

- Pray for Stefan, Buks, and Damien Ras as they team up to lead Grace Baptist Church and Kuyga Baptist Church
- Pray for the salvation of Stefan's parents
- Pray for us to make a great impact in all the churches we go into on our furlough
- Pray for us to be able to raise \$50,000 for a church planting fund. (If you would like to give toward this just mark your church memo for church planting fund). Three needs where this money can be used - Funds for a total new church plant, a more permanent location for Kuyga Baptist Church and a permanent location for Grace Baptist Church.

Doing our Reasonable Service,
Kevin, Corli, Clark and Hudson Hall
