Dear Partners For The Gospel,

God has been so good to our family! He is answering prayers left and right. We are amazed at His faithfulness both here and in South Africa. As we travel to churches God has allowed us to meet some of the sweetest and most helpful Christians.

At the beginning of February we were down in Tampa, FL with Brandon Baptist Tabernacle. We really enjoyed fellowshiping and seeing what God is doing here through Dr. Bailey, his wife and the church. This church is home to Tampa Theological Institute. It was great to hear the pastor's heart for training people to serve the Lord and glean ideas for the Bible college in South Africa. They voted to partner with us in the service. I believe we might even see Dr. Bailey in South Africa some day teaching and preaching in the churches and college. Another jewel of a church is found in Crystal River, FL, Bible Baptist Church. We thoroughly enjoyed ourselves at this missions loving church off the beaten path in FL. Pastor Reaves is a great preacher leading one of the sweetest churches we have had the privilege of being in. I was able to give a testimony and share about our work in the service. They voted to take us on at the end of the service in which they also gave a huge love offering to one of our their own faithful missionaries, and had a baptismal service! This church is alive and well!

God also opened the door for us to be with Welcome Hill Baptist Church. We had a great time with Pastor Beach and this lively congregation. Pastor Beach is one of the most down to earth pastors I know. There was a sweet spirit in the church and they were very generous to our family. I was privileged to preach back to back services here. They have since let us know that they will be partnering with us for the gospel! Praise the Lord for answered prayer!

At the end of February and beginning of March we were in Michigan. We experienced a different kind of cold here! We were able to visit two churches. Solid Rock Baptist Church in Lansing and Immanuel Baptist in Corunna. Solid Rock is pastored by a long time friend, Nathan Gregory. He is out of our home church in Dalton, GA. They actually took us snow skiing which was my wife and kid's first time. We had a great time preaching and being with this church. They treated us with first class hospitality. The Gregory's have a load of weekly work between secular jobs, family and planting this church. They would definitely appreciate your prayers. Immanuel Baptist Church, amongst other things is known for their multiply worship coffee ministry. This is a church planting, missions loving church. We were privileged to stay with the Schmig family and they are actually going to be a great help with the new Christian School my brother is going to start in SA. Brother Schmig is kind of an expert in Christian School work. I was able to share about our ministry, preach in the service and also in their Christian school. Sweet people, great church and they have also voted to partner with our family for the work in SA. God is answering so many prayers!

From Michigan we headed south to Florida! That was a long trip but well worth it as we were invited to Calvary Baptist of Fort Walton Beach's mission's conference. Wow! They put us in a hotel on the ocean and gave us an INCREDIBLE bag of gift certificates on top of the love offering. I was able to give a testimony, share about our work, and we were privileged to listen to Dr. Mike Edwards preach the conference. He did a tremendous job. They are considering partnering with us in the near future. We would count it an honor to represent them in SA. With the promised support we are getting very close to where we are praying about and needing to be support wise before we head back.

On top of all of this, I am getting reports from Pastor Lubabalo and Pastor Stefan about souls being saved and God working in an incredible way! Pray for all of our pastors and churches!

Prayer Requests and Needs

- Plane Tickets to be purchased - \$5000 - Going to buy tickets for May hopefully as soon as I get my visa approved.
- Our Generation Training Center Easter Offering - Check it out here - www.bcwe.org/ogeo/. This is a great yearly offering your church could give toward to help promote our Lord's Great Commission.
- Pray for Grace Baptist Church of Port Elizabeth to get a building of their own. **One of our supporting church's is praying about giving a HUGE offering toward this!** Pray about this with us.

Doing Our Reasonable Service,
