Chamroeun

Lub

Dear Co-Labourers in Christ,

January and February 2022

Greetings once again as it is time to report to you what God has been doing these past couple of months in the ministry in Cambodia. We continue to thank the Lord continuously for those of you who faithfully pray for us and support our ministry. **You all are a huge blessing and we cannot do what we do without the Lord and you.**

These first couple of months of the year, we have seen a few of our church members go be with the Lord in heaven. Praise the Lord for the hope of heaven and our church family knows that we will see these dear brothers and sisters in Christ once again someday.

Chamroeun was one of those who have gone on to heaven. She was a faithful member of our church in Psa Traach; she was also handicapped. Being saved about a year ago, we saw her grow in her faith. In the weeks before her passing, her health deteriorated rapidly. As her health got worse, her relatives refused to take care of her, even refusing to give her food to eat. The faithful leaders in Psa Traach did as much as they could by taking her to the hospital and helping in any way they could. She went to be with the Lord not long after these events. **Please pray for her daughter, Nisa, to find comfort during this time.**

Lub is another believer who went to heaven a few weeks ago. He was the grandfather of one of our national leaders, Tom, and the father of Som, Tom's mother. **We praise the Lord that even though he was over 90 years old, Lub put his faith in the Lord Jesus Christ a few weeks before he passed.**

Thon was the first of our members to go be with the Lord this year. She was a part of our Sen Sok ministry on the outskirts of the capital city, Phnom Penh. We thank God that her and her sister, Pov, have been faithful to the Lord ever since their salvation a couple of years ago. In January, Thon succumbed to a disease she had for a while. **Praise the Lord that the gospel reached her in time.**

The second week of February, we were able to have a dedication service for the new church building at our ministry in Psa Traach. This building is the result of faithful prayers and diligent work of the members there. They have raised funds the past few years, so that they will have a proper place to worship God. Most of the construction work has also been done by the men from the Psa Traach church. **Please pray that God will use this building to grow the church and that the believers will use it for His honor and glory.**

Praise the Lord that Vansing trusted Jesus as his Saviour three weeks ago! He lives in Preah Vihear province and has been faithfully attending services since his salvation. **Please pray for his growth in Christ.**

Please also pray for Lika, she is a friend of one of the faithful young people in Preah Vihear, Theiry. She has attended services for the past couple of weeks. **Please pray that our folks will be able to be in contact with her and that she will have a soft heart to accept Jesus as her Saviour.**

In Christ,
