

Psalm 122:1 "I was glad when they said unto me, Let us go into the house of the LORD."

4/3/19

Dear Ministry Partners,

Greetings from Alabama! We hope that you are all well, and enjoying sweet fellowship with our Savior! Since our last prayer letter, we've visited eleven churches in different areas of Georgia and Alabama, and will be visiting several more in four states over the next few months. Everywhere we go, we are blessed by the fellowship we have with our brothers and sisters in Christ. To God be the glory!

We praise the Lord for the safety He has granted to us in our travels, and also for the safety He has given to us, and our sons, during recent tornado outbreaks. As some of you know, the March 3rd tornado that struck Lee County, came very close to our house, and to our youngest son. The weekend before that, we were driving to meetings in northern Alabama, and later learned that while we traveled through heavy rains, tornadoes were being reported to the north, west, and south of us. We are in awe of God's protection of our family and our home, and we thank you for your faithful prayers to this end!

On March 17th, while home that weekend, we were able to attend both the traditional Protestant Chapel service on post, and our own home church, Grace Baptist, in Columbus, GA. We were also able to bring with us a new Soldier named Joshua (see photo), a Believer who wanted to attend services at Grace. We were blessed to help him in this way, and to feed him lunch, followed by a tour of the post. Over the course of the day, he shared some insights that have further strengthened our resolve of our need to be about the Lord's business at Fort Benning. Please do continue to pray for plain ministry paths and open doors for us there!

Lastly, please continue to pray for our three college students. Dan finished his first class of the year and is now enjoying his next challenge in Baptist History. Jordan continues to balance four classes with his job, and we rejoice that he was just given a grant that will help him take classes this summer! Andrew would like prayers as he is struggling to pass his Spanish class. Due to new requirements, he has to pass it in order to graduate in May. As an added update, we told you last time that Andrew had applied to the G.A. program, but he has since learned that he didn't make the cut for that. Please pray for the Lord's clear guidance regarding a job for Andrew after graduation, and where he and Lydia should live after their wedding this summer.

Thank you again for your faithful prayers and financial support. Please know we are praying for you, too!
Your Co-laborers,

Dan and Kelly Kursinsky
